About Us

We at Genious Engineering are among the top suppliers and manufacturers of tools and trolleys in India. We produce an amazing selection of Computer Table With Soft Pin Board, Industrial Assembly Table, ESD Table, Work Bench With Drawer Unit And Cabinet, Forklift Pallet, and more in various specifications as per the needs of our clients, keeping an eye on current market development. We manufacture the highest quality tools and trolleys, work benches, tables and cabinets, canteen tables, and machine guards in Pune based on customer specifications. Our staff of professionals is knowledgeable and enthusiastic, and we work hard to deliver the highest-quality goods at competitive pricing. We never offer our customers a reason to be dissatisfied with the high caliber and effectiveness of our products.

We are also known as one of the leading service providers. Our services include installation services and more. Our experts ensure that all the services we offer and projects we undertake are completed within the specified time frame.

The infrastructure of our company is well built and robustly constructed. We have systematically divided it into various departments, which helps us manage our work flow effectively. Our manufacturing unit is well equipped with the latest tools and technology requisite for the fabrication of these products, and we update them from time to time. We have a capacious warehouse and storage area that is divided and labelled according to the products we keep. Not only does it help us maintain our inventory, but it also caters to the bulk and urgent requirements of our clients. Our state-of-the-art infrastructure facility helps us fulfill all the commitments we have made to our clients. We make sure to offer our employees the best working environment so that they can give their best on every project.
