About Us

D. P. Engineers is a proprietorship company, delivering quality solutions for Air Conditioning & Air Filtering, under the visionary foresight of Mr. D. P. Sharma since 1995. We have emerged as an eminent manufacturer, exporter, supplier and trader of a wide range of Air Cooling System, Clean Room Equipment, Cooling Tower Spare Parts, Industrial Filters, Cooling Coils, Condenser Coils, Industrial Blowers, Industrial Fans, Humidification Equipment and many more. These are manufactured using highest grade raw materials procured from trusted agents and cutting-edge technologies installed at our state-of-the-art infrastructural facility. We are a quality & client driven organization. Possessing a vast control over our production facilities, we check entire production stages on the basis of strict quality parameters. Further, we adhere to standards of international quality and industrial norms to keep pace with the growing market standards. All our products are widely acknowledge amongst clients for their sturdy construction, tough and long-lasting nature, high performance, user friendliness and negligible maintenance.

We have recruited a team of experts who undertake cordial relations with all our business associates. They understand the specific requirements of all our clients and provide them with exact solutions for the same. They also work in close-coordination amongst each to deliver bulk quantities within minimal time and budget by utilizing all the inputs to their maximum capability. Their dedicated approach and wide industrial acumen has satisfied a large patronage from across India and abroad.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	sensocon differential pressure gauge,differential pressure gauges,sensocon differential pressure gauge,differential pressure gauges,differential pressure transmitter,magnehelic pressure gauge,magnehelic gauge,hvac air filter,hvac filters,dust collector filters
No of Staff	5
Year of Establishment	1995
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	Delhi
Product Range	sensocon differential pressure gauge,differential pressure gauges,sensocon differential pressure gauge,differential pressure gauges,differential pressure transmitter,magnehelic pressure gauge,magnehelic gauge,hvac air filter,hvac filters,dust collector filters
