About Us

Established in 2010 and headquartered in Chennai, Tamil Nadu, Revathi Metal Building Private Limited has emerged as a leading name in the field of industrial ventilation and roofing solutions. As a trusted manufacturer, supplier, and service provider, we are committed to delivering high-quality, energy-efficient, and cost-effective products that cater to the evolving needs of industrial and commercial sectors. With more than a decade of experience, our company has built a strong reputation for innovation, reliability, and customer-centric service. Our comprehensive product portfolio includes Turbo Roof Ventilators, Roofing Sheets, Ridge Ventilation Systems, Roof Extractor Fans, etc.

Each of our products is engineered for durability, high performance, and minimal maintenance. Manufactured using premium-grade raw materials and advanced production techniques, our solutions are designed to withstand extreme weather conditions while ensuring optimum airflow and ventilation efficiency across various industrial environments.
