# THE TAPE HUB

## DOUBLE SIDED TISSUE TAPE

Double sided tissue tape is made of tissue paper both side coated with, hot melt, acrylic emulsion or solvent acrylic based adhesives and laminated with double sided release paper.

### APPLICATIONS

Shoe, leather, paper white goods, foam, postal decoration, labels and a lot more applications. High Temperature Resistance Double sided Tissue Tape specially designed to use in TV, earphone, loud speaker net, sound box, gift packing with smooth surfaces and led sticking application.

## STRAIGHT & CROSS FILAMENT TAPES

This tape has fiberglass reinforced backing, very high tensile strength and not easy to break. the polypropylene backing provides excellent abrasion, moisture and scuff resistant. We also have residue free cross and mono filament tape.

### APPLICATIONS

It can be used against steel straps for heavy duty packing and mounting of articles in white good industry, Cricket bat & Export Packing.

## BOOK BINDING CLOTH TAPE

This tape has cotton cloth with the pressure sensitive adhesive which is available various color and width as requirement

### APPLICATIONS

Used for Book Binding, Corogated boxes, insulation, color coding of the lines.

D/S Foam Tape

D/S Cloth Tape

Surface Protection

VHB TAPE

## PVC TAPE

We offer an wide range of PVC tapes which cover many applications including general purpose, electrical, lane marking, hazard warning, duct sealing, vapour barrier, protection, construction and industrial application. The PVC Tapes are made available in all sizes and variants as per requirement.

### FEATURES:

- ◆ All standard sizes & colours
- ◆ Electric Resistant
- ◆ Reliable & Durable
- ◆ Good Bonding Strength
- ◆ Big Industrial House
- ◆ Water Resistant

## ACRYLIC FOAM TAPE

Acrylic Foam can replace rivets, spots welds, liquid adhesives and other permanent fasteners. These tapes are made with acrylic foam which is visco - elastic in nature which gives the foam energy absorbing and stress relaxing properties.

### FEATURES:

Acrylic Foam Tape is generally available in the following standard thickness :

- ◆ Grey - 0.8mm, 1.2mm, 2 mm
- ◆ Transparent - 1 mm

## ALUMINIUM FOIL TAPE

Aluminium Foil Tape are comfortable, conductors and heat reflective tapes. We can also make liner less aluminium foil tape as per requirement.

### APPLICATIONS

Used for high & cold temperature applications, EMI / RFI Shielding, ducting and thermal spray masking Petro Chemicle & Electronics etc.

## HDPE TAPE

HDPE Tape is made up from woven HDPE Fabric tape, with liner, with high bond strength. High Adhesive and tensile strength helps keeping the joints well sealed.

### APPLICATIONS

Used for packaging of automotive components, Engine packaging, Jumbo bag, Export packaging, heavy machinery packaging etc.

Craft Paper Tape

Water Activated

Paint Shop Paper

Gaskate Foam Tape

## BOPP SELF ADHESIVE TAPE

Bopp Tapes marketed under the brand name "**STICK TAPES Self Adhesive Tapes & Films**" are manufactured and supplied to markets at affordable rates.

### FEATURES:

- ◆ Light Wieght
- ◆ High tensile Strength
- ◆ Withstand high temperature
- ◆ Multiple Colors
- ◆ Logo printing
- ◆ Plain Tapes

### APPLICATIONS

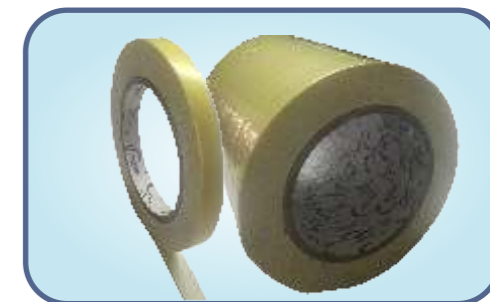

Box Packing, Automotive Industry, Aerospace Industries, Pharmaceuticals Industry etc.

## DOUBLE SIDED ADHESIVE FOAM TAPE

**STICK TAPES** is appreciated in the market for providing genuine grade Double Sided Foam Tape. These tapes are further made available in different sizes and variety of base material to suit different areas.

### APPLICATIONS

Appolication in refrigeration, stationary, die-cut & plates and various other applications.

## MASKING TABLE

Making Tape as is said to be as "Carpenter's Tape" marketed under the brand name **STICK TAPES** are very much appreciated in the industry. Masking Tapes for high trempreature application are also manufactured and exported at a large scale.

### FEATURES:

- ◆ Excellent Bonding
- ◆ High Temperature
- ◆ Good Paper Strength

### APPLICATIONS

Wooden Industry, Paint Industry, Sealing of Materials, Automotive Industry etc.

Red Polyester

Duct Tape

Reinforcement Paper Tape
