## About Us

We, Bhavani Refractory, are an eminent manufacturer, supplier, trader and service provider of a wide range of Chemical Supplies catering to several industries like Petrochemical, Powder, Automobile, Pharmaceuticals, etc. With the aim to make a difference in the industries to which we cater to and create valuable products, our company was established in the year 1995. Since then, we have been successfully carrying out business and expanding at fast pace. Our products include Mortar Cement, Silicate Mortar, Epoxy Resin, Clear Epoxy Resin, Carbon Filled Motor, Epoxy Grouting, Epoxy Resin, Water Proofing, Epoxy Self Leveling, Mastic Powder and many more. These are manufactured using quality chemical compounds that are sourced from the finest vendors of the market. Before we procure the required compounds, we take samples and test them in our laboratory.

Being a quality conscious company, we strive to ensure that our products like Mortar Cement, Silicate Mortar, etc are of supreme quality. As a result of which we have adopted strict quality control measures that are mainly implemented during the production of our range. Moreover, our manufacturing processes are monitored by supervisors, who regarded as experts of the industry. We are supported by a staff comprising 20 technical professionals and 5 management staff. The knowledge and experience of our team lets understand the requirements of our clients easily and cater to them accordingly.

Leveraging upon our rich domain experience, we have emerged as a manufacturer, supplier, trader and service provider of Lining Services, Sodium Mortar, Sodium Silicate Mortar, Carbon Filled Motor, Epoxy Grouting, Furane Mortar, Epoxy Screed, Silicate Mortar, etc. The offered gamut is known for their highly effective nature, balanced chemical composition, safety, long shelf life and reliability. With the support of qualified team members, we have been able to earn not a good market reputation but also a huge base of clientele. Moreover, we offer several solutions like Brick Lining, Tile, Redmandana Stone Lining, Bituminous Mastic Compound, etc., that have been widely appreciated by our clients.
