About Us

Established in 1991, we, Maruti Hydraulics Private Limited, have been creating ripples in the market for the past three decades. Over the years, we have secured a reputable position in the market as a noteworthy manufacturer and supplier. The products we offer include Electric AAC Brick Making Machines, Interlocking Block Machines, AAC Bricks Manufacturing Machines, Horizontal Mixers, and others. Designed and developed with utmost perfection by our adroit professionals, all our products reflect the optimum standards of longevity, reliability, and quality. We proudly state that owing to the exceptional quality features of our products, they find usage across various industries and applications.

However, we effectively cater to all the rising demands of our customers in no time and with honesty. There is no doubt that we are one of the most preferred choices for customers. Our commitment to quality and customer contentment drives our growth.
