About Us

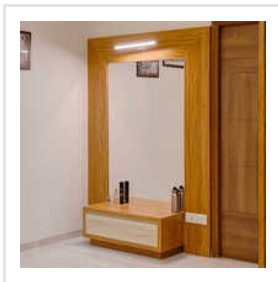

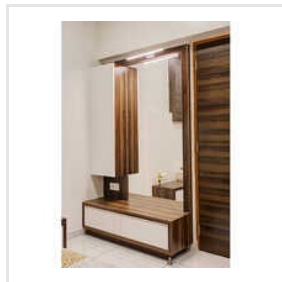

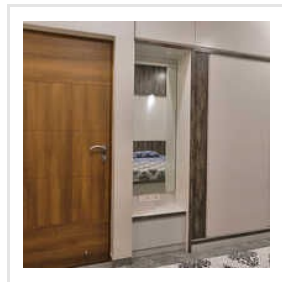

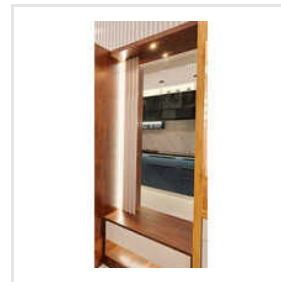

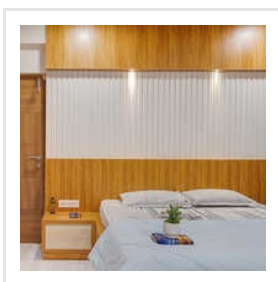

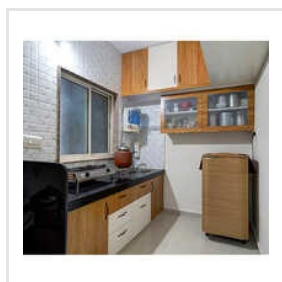

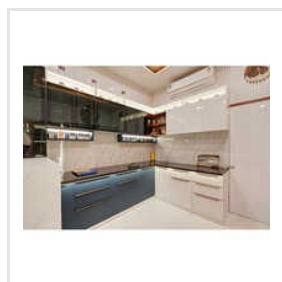

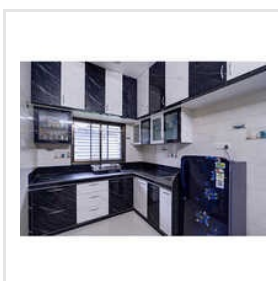

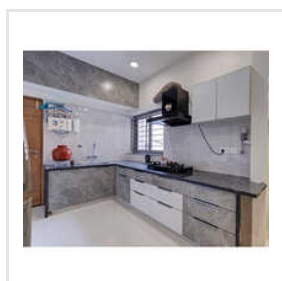

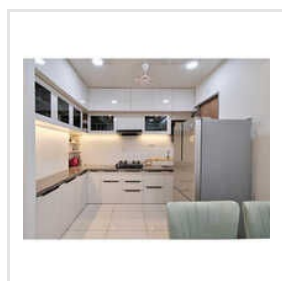

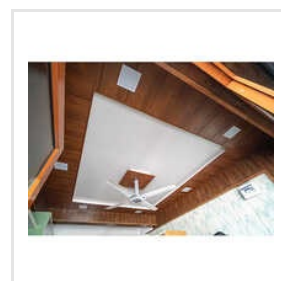

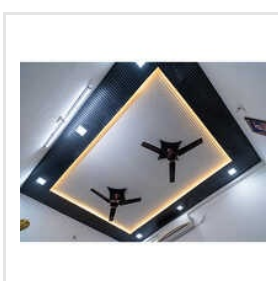

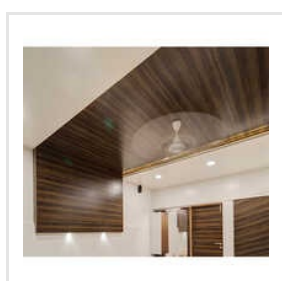

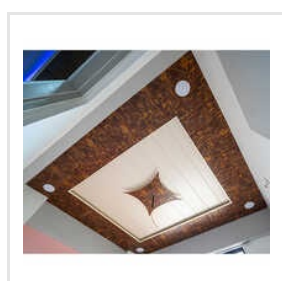

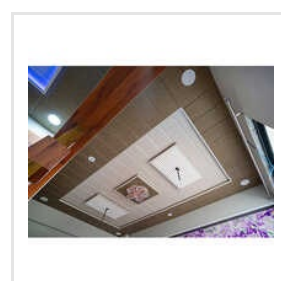

Established in 2007, Ramdev Profiles is a well known manufacturer and supplier of uPVC furniture that are made available under our various brands for the home and institutional needs. The company is committed to designing products of high sustainability, excellence and seamless finish. Some of our well-known products include uPVC Modular Kitchen, uPVC Bedroom Wardrobe, T.V Cabinet, Office Furniture, and others.

As a reliable business enterprise, we provide seamless quality, distinct patterns, and a broad array of choices. Since commencement of our journey in market, we have been well-praised by the customers. Ramdev Profiles intends to change interior space with innovative designs of furniture to build vibrant office and home spaces. The products we offer are known for optimum design features and eye-pleasing aesthetics coupled with functionality. We have an in-house team of designers in the category of uPVC furniture, which enables us in making available a commendable array. The company has been awarded by the Chief Minister of Gujarat of the BEST for its uPVC Modular Furniture.

With unmatched commitment and highly appealing designs, our products have set new standards. Ramdev Profiles stands out among the similar uPVC products as our products are created with unique design concepts. With our professional approach, we have created remarkable uPVC Doors, Partition, Ceiling and Wall Panelling, Modular Kitchens, Wardrobes and Office Furniture. Our products completely transform the interior space of offices, homes and several establishments.
