About Us

We, Raj Marketing, are offering the world class Glass Cutters, Glass Hardware, Glass Hardware Fittings and Glass Drills. Established in the year 2010, we are a prominent exporter, importer, trader, supplier and service provider in this field. Procured from the top-notch manufacturers, these products are an amalgamation of premium quality raw materials and precise engineering. Our products are in congruence to contemporary market trends, international quality standards and clients' needs.

It is our quality oriented approach that leads us to offer the best-grade products to our patrons. While procuring the products, we examine the quality of each & every piece in terms of its dimensional accuracy, tensile strength, corrosion & moisture resistance, superior performance, cost-effectiveness, etc. Our quality controllers make sure that only defect free products are supplied to the clients from our end. After procuring the products, we stock them in our spacious warehouse. Our well-maintained warehouse has all the required facilities that assist us to stock the products in bulk quantity and fulfill clients' demands on time. We pack our products using superior quality packaging materials like sheets, papers, cartons, etc. that help us to keep our products safe from damages and make safe deliveries. All the work activities are carried out by our experienced and skilled employees. Besides, our transparent business dealings, prompt deliveries and immediate response to client's query are some of other reasons that facilitate us to maximize the satisfaction level of our patrons.
