About Us

Shagai Logistiqués started its business journey as a NVOCC operator in 19th October, 1996 and after that turned into Shagai Logistiqués Private Limited. Presently, the company manufactures Labour Camp Container, Site Office Container, Used Shipping Modular Container, Steel Structure Storage Container, etc. which are widely used in factories, warehouses and construction sites for storage, shipping and transportation purposes. By offering high-quality containers to the customers, we are focusing on establishing long-term relationships with them which are based on trust and respect.

Apart from the products, our company is further providing world-class Customs Clearance Agent Services, Container Repainting Logistics Services, Container Leasing Services, Storage Container Rental Services, etc. For providing effective solutions to the clients, we have recruited experienced professionals who work cordially with them. The team members strive to understand the specific needs of the clients as per which they render effective services at best prices. With years of experience and great knowledge of the industry, we have positioned ourselves as a prominent manufacturer, supplier and service provider in the domestic market. To maintain this position in the industry, we are putting our best efforts in all the tasks.
