aztech4bangladesh

Dear Colleagues and Business Partners,

Warm greetings..

Welcome to the web presence of Aztech Business Consortium Ltd. (Aztech or ABCL or ABC Ltd.) and thank you for your interest. This site will give you an insight into our company, its products and services, and how we can work together.

**ABC Ltd.** is being one of the most versatile Sourcing and Indenting Agent for Defence & Government/Semi-government/Private Sectors, Importer, Representing Manufacturer(s)/Supplier(s), Exporter, Contract manufacturers and Consultant(s) offering almost everything to the buyer/seller across the world under one roof and in accordance with the International Standard. Aztech is a global player for Pharmaceutical, Healthcare, Fashion wear, Defence etc.

Since its inception, the company has grown multifold and Aztech has been known for the quality of its products and services and has earned a good reputation as the **MAJOR SUPPLIER** of a wide range of Raw materials (APIs, Excipients, Packaging Materials etc.), Pharmaceuticals, Medical equipments, Laboratory, Healthcare products, Disposables, Consumables, Defence requirements, Fashion wears etc. in both private and government sectors including Ministry of Defence.

We are fortunate to have a team of highly professional and dedicated staff, excellent business partners, with whom we are growing and this trend would continue for years to come.

Everything we do is based on our corporate values: Courage, Achievement, Respect, Responsibility, Integrity and Transparency. They give us orientation, and they determine our business relationships and of course how we cooperate within the company. And these values enable us to create a trustful environment in which entrepreneurship can thrive – essential for a business model that is built on innovation. Another integral part of our culture is social and environmental responsibility.

Thank you for visiting our website(s)

<http://www.abclimited.biz> | <http://www.aztechbusinessworldwide.com>

<http://www.az4pharma.biz>: Pharmaceuticals

<http://www.az4healthcare.biz>: Healthcare

<http://www.az4defence.biz>: Defence

<http://www.az4fashionwear.biz>: Fashion Wears)

and for considering our products and services.

We encourage you to experience the caring attitude of our competent, dedicated employees.

We welcome the opportunity to answer any questions you may have and discuss your needs.

Please let us know how we can be of your BEST successor.

Sincerely,

Engr. Meraj Rahman

## MESSAGE FROM THE MANAGING DIRECTOR

**Dear Visitor,**

Welcome to the website of Aztech Business Consortium Ltd. (Aztech or ABCL or ABC Ltd.) and thank you for your interest. This site will give you an excellent insight about our company and its capabilities. Only a click away, you will find a lot of useful information about different products and services that we provide.

The mission of Aztech is to exceed customers' expectations by providing outstanding customer supports through innovations created by talented, satisfied employees, while positively contributing to Bangladesh and overseas society. We believe that our customers' satisfaction and thus their loyalty are our success.

Our overall business attitude is shaped by our overall value care. The people of Aztech understand that, on the long time run, success in business can only be achieved, if a company takes adequate care of all stakeholders in the value chain, namely employees, customers, shareholders, principals and the society.

We are committed to total customer satisfaction by identifying their specific needs, translating them into Quality products and providing dependable after-sales-services & value for their money.

We plan to achieve this goal through our strength - the Employees; and seek their continuous involvement in achieving the Company's objectives.

The organization is also committed to its shareholders by way of maximizing the wealth through sustained growth to optimally balance the commercial objectives and the goals of social service to the nation at large.

*FINALLY, we are here to build a great company.*

*A company that has achieved the highest levels of customer satisfaction.*

*A great place to work, a provider of exceptionally high quality service,*

*A company that carries itself in the market place with the highest levels of business integrity and business ethics,*

*A company composed of dedicated, accomplished professionals, committed to customer.*

*We are here to build a company in which we can all take great pride.*

By the grace of Almighty and with the motivation and support of our people and partners, we look forward to be seen as an organization pioneering the implementation of innovative ideas, respected for strict adherence to ethical practices, reputed for the quality of products and appreciated for sustainable growth in our national and global operations.

We, therefore, seek continued patronage of our valued customers, cooperation of our employees and excellent business partners, with whom we are growing and this trend would continue for years to come.

We think and act always in a long term perspective and aim for sustainable performance.

We act fairly, openly, quickly and reliably.

**We would like to welcome any suggestions, which we would evaluate and subsequently implement to enhance WIN WIN performance.**

We look forward to sharing our new and improved solutions with you.

Sincerely,

**(MD JOSIM AL FARUK)**

Aztech Business Consortium Ltd. (Aztech or ABCL or ABC Ltd.) was incorporated and registered under 'The Companies Act (Act XVIII) of 1994 under Registrar of Joint Stocks Companies & Firms, the People's Republic of Bangladesh'. Aztech is being one of the most versatile Sourcing and Indenting Agent for Defence & Government/Semi-government/Private Sectors, Importer, Representing Manufacturer(s)/Supplier(s), Exporter, Contract manufacturers and Consultant(s) offering almost everything to the buyer/seller across the world under one roof and in accordance with the International Standard. Aztech is consisted by highly qualified, experienced, professional management and staff accelerated by latest machineries/technology, skilled workmanship with substantial marketing. The proficient management of the company was able to gain the confidence and won the respect of the customers in terms of quality and timely delivery. Aztech is one of the fast growing and trustworthy company in Bangladesh; we have been enjoying a high reputation from our clients and wish to express profound thanks for their patronage. With the backup of our expert technical staff, we keep making constant efforts to meet the expectations of our clients.

**Our Management** is the Think Tank of the organization with a clear vision to combine spirit & hard work as a core factor of success. In their long journey they have benefited both the domestic customers and foreign suppliers with a sense of responsibility, sincerity & reliability.

## Our Motto

- > To be a well-integrated and comprehensive marketing and trading house offering package and concept selling
- > To achieve a systematic and well balanced growth through increased customer participation and market expansion
- > To make an impact on international and domestic markets by providing newer products and services according to customer needs
- > To use our in-depth knowledge of the market to ensure a fair deal to both customers and principals
- > To provide personalized service, on schedule deliveries and reliable quality at competitive prices at all times
- > To partner our customers with relevant know how, thus growing the local market in client countries
- > *To build sustainable relationships with our customers, beyond the realm of business, creating lasting inter-personal bonds that convert customer relationships into family bonds all across the globe*

## **Mission / Vision**

- > Our Mission is to develop and sustain productive business partnerships with our Customers and our Principals.
- > Our values drive us at all time to be an ethical, loyal, and reputable business partner to all our Customers and the Principals we represent.
- > To create optimum value for all our stakeholders by adhering to the highest ethical standards.
- > To pursue customer satisfaction relentlessly through deliverance of high quality products and services.
- > To strive for providing employment opportunity to reduce unemployment.
- > To create centers of excellence in industrial and service sectors through Joint Ventures.
- > To contribute to the well being of the society by acting as a responsible corporate citizen through valuable *Corporate Social Responsibility (CSR)* activities.

## **Philosophy and Corporate Values**

### **Philosophy**

Customers lie at the heart of the standard of excellence that AZTECH represents. Our **strong business relationship with customers** and the sharing of common goals are key factors for a beneficial partnership.

Our customer's needs and interests are our own priority. We **focus on the fundamentals** and we care for every detail.

## Corporate Values

At AZTECH we are committed to high standard of excellence and business ethics. Our corporate values are:

### «Continuous development and improvements to achieve excellent business results»

- Continuous Progress/Innovation
- Continuous research for new ideas to cover every need of the market
- High performance
- High quality standards

### «Key to our success is our people»

- Team spirit
- Passion and enthusiasm for work
- Integrity

### «To set corporate social responsibility in daily practice»

- Socially responsible development
- Respect the environment

We had long experiences towards marketing of superior quality and creatively designed products all over Bangladesh and abroad. We are catering the needs to meet the market demands by importing directly or by participating through competitive bid of International Tender/Bid (ICB) on behalf of Manufacturer, Exporters and Trading Houses from home and abroad. We are representing few renowned manufacturers from all over the world. We source new markets and clients for their quality products in Bangladesh, especially in the field of

Pharmaceuticals (Please visit <http://www.az4pharma.biz> for more details)

Healthcare and Medical (Please visit <http://www.az4healthcare.biz> for more details)

Defence (Please visit <http://www.az4defence.biz> for more details)

Fashion wears for Garments and Leather Goods (Please visit <http://www.az4fashionwear.biz> for more details)

## Customer Services

As we understand the pressure put on the healthcare industry professionals for urgent and top-quality results, we provide our clientele valuable and prompt support and a better understanding of how to access and use our systems and technology. We promise to provide technology solutions, and most importantly to listen and work with our customers for exceeding their expectations. Service and customer support before, during and after the sale are of high importance for us.

## Provided services:

- Studies of needs and laboratory planning
- Installation
- Training
- Application
- Preventive maintenance
- Repair
- Calibration
- Equipment assessment/assessment (DQ, IQ, OQ, PQ)
- Performance Verification

## AZTECHserve

Is a centrally driven department, running by qualified Engineers and Application Specialist provides outstanding service by keeping functionality with optimum performance, efficiency and value of your investment. Our highly skilled Specialists undergo continuous training to provide outstanding service support and to be ready to take responsibility for any service task required. This allows us to provide the best possible support for your daily operations.

### Always At Your Service

- Operating a highly competent and motivated Service Team and Logistic Department
- Carefully scheduled low-cost preventive maintenance instead of risking expensive corrective maintenance when you least need it
- Maintaining and upgrading your machines at regular intervals, if and when needed

### You Look After your Machines, We Look After You!

- We continuously qualify and train our engineers and application specialist to provide first-level technical support by phone and at your site when needed
- Organizing efficient training for end users and technical people
- Enabling your staff to professionally handle the operation and regular maintenance of your investment

### We Won't Let You Down

- Use only dedicated certified tools to insure accuracy, precision and best performance of your equipment
- Offering a wide range of flexible and targeted service and genuine spare parts and consumables
- Respond to customers in a timely, efficient and responsible manner
- To maximize the value of your investment, you can sign up for one or more of the standard, optional and/or customized services, if needed like:
  - Service contract
  - Extended warranty contract
  - On call tariff contract

Preventive Maintenance: Repair: Parts: Consumables: Upgrade: Documentation: Relocate: Renovate

## Healthcare <http://www.az4healthcare.biz>

### Bangladesh Healthcare Industry: the Thriving Industry that is Growing Faster than the GDP

Health sector is one of the most important sectors in present situation of Bangladesh. Both the Government and private investors are concentrating their mindset in this sector to make a better health situation in Bangladesh.

There are 1 medical University, 13 Government Medical Colleges, 25 Private Medical College Hospitals, 8 Postgraduate Institutes, 2 Institute of Health technology, 3000 Hospitals and Clinics, and almost 18000 Diagnostic Centers and [Health](#) centers in all over Bangladesh. The number of this medical college Hospitals, Diagnostic center and Health centres are increasing rapidly.

The Bangladeshi medical device market is expected to achieve one of the fastest growth rates in the world, at 14.5% annually, to 2019. We forecast the market to expand at a 2014-2019 CAGR of 14.5% in US dollar terms, ranging from 9.9% for other medical devices up to 18.6% for diagnostic imaging. The market is forecast to increase from US\$ 196.3 Million in 2014 to US\$ 385.4 Million in 2019.

In a nutshell, we look after the interest of the overseas manufacturers, exporters, suppliers, investors and consultants for the followings:

- Accident and Emergency equipment
- Building technology and services or Building Maintenance Service
- Blood Management (e.g., [Blood Bag Systems](#), Vacutainer etc.)
- Catering and Kitchen equipment
- Cleaning and Disinfecting Machines for Laboratory
- Communication and information technology
- Dental equipment and supplies
- **Diagnostics**
- Disinfection and disposal systems
- **Electromedical equipment**/medical technology
- Emergency medicine/first aid equipment
- Fabrics/Laundry
- in-vitro diagnostics
- **Laboratory /Analytical equipments** and Products for Hospitals, Health centres, Clinics etc (Freezers & Blood Bank Refrigerators, Incubators, Autoclaves, Sterilizers)
- **Medical furniture and equipment**
- **Medical consumables/Disposables/Commodities/Consumer goods** etc.
- Ophthalmic supplies
- Operating technology and equipment
- Pharmaceutical supplies
- Rehabilitation equipment/Orthopaedic supplies

- ELISA, RAPID & SEROLOGY TESTS Kits
- Sutures and Catguts
- Operation Gloves (Sterile)
- Examination Gloves etc.

We are looking for the followings for some of clients:

### Anesthesia Department:

Boiler for medical grade steam | Fiber optic Laryngoscope | Defibrillator | Portable ICU ventilator for transfer of patient with full option mode | Anesthesia machine with ventilator | Electro-surgery HE unit etc.

### Cardiology Department:

Interior View of the Heart

Color Doppler echocardiography machine (hand portable) | Computerized Electronic Medical Record System | Ambulatory BP recorder and analysis system (digital) | Echocardiography with Color Doppler etc.

### Cardiovascular Surgery (CVS) Department:

Hypothermia machine for open heart surgery | Centrifugal pump ECMO complete | Ultrasonic disinfectant & cleaner | Central monitoring system for cardiac OT etc.

### Dental Department:

Unit Dental Complete | Dental X-Ray OPG Machine | X-Ray machine Dental etc.

### Gynae Department:

Colposcope machine | Cryo surgery se | Laparoscopic instrument with gynaecological set etc.

## ENT Department:

Pure Tone Clinical Audiometer | Audiometer impedance with pure tone | ENT Treatment unit | Sino scopes for sinus surgery | Drilling Machine Rhino laryngoscope/Rhino laryngo videoscope with Treatment capability with Working channel | Oesophagoscope | Ear instruments set | Stapedectomy instruments | Electrically driven Doctors Chair | Laser machine for multi specialties use (Holmium-YAG) with all accessories | Compact video Otoscope system | Operating Microscope for ENT Surgery | Nasopharyngoscope/Rhinolaryngo fiberscope set | Nasopharyngoscope-rigid 0°, 30°, 70°, 110° | Pharyngoscope | Cold Light source etc.

## Eye Department:

Phaco emulsifier with surgical control device (Phaco machine) etc.

## Gastroenterology Department:

Video colonoscope with all accessories | Electrosurgical unit complete set with endocut etc.

## Neurology Department:

Pneumatic drill set | Electro surgery unit (Both Mono & Bipolar) | Operation Table 4/6 position with head fixation system etc.

## Nephrology Department:

Haemodialysis machine

## Orthopaedic Department:

Hand Surgery set-AO | AO-Rechargeable drill | Pneumatic drill etc.

## Paediatric Department:

Newborn Baby Warmer | Infant Incubator | NCV,  
EMG & EEG machine | Portable Echo machine |  
Electric blanket | Autoclave etc.

## Skin Department:

Intense pulse light (12 PL) Laser | Fractional Laser System  
| Q-Switched Nd: YAG system | Narrow band UV B  
therapy system for partial body treatment etc.

## Radiology Department:

Dual energy X-Ray absorptiometry (DEXA) | 100 to 300  
MA mobile X-Ray machine with standard accessories | CR  
System (Computerized Radiography) | Digital X-Ray  
Machine with standard accessories 1000 MA | X-ray  
Apparatus 500MA with Fluoroscopy with CR System | 2D  
Ultra sonogram machine with standard accessories | 4D  
Ultra sonogram machine with standard accessories etc.

## Physiotherapy Department:

Short wave diathermy with accessories |  
Pelvic traction etc.

## Department of Urology & Renal Transplant

## Urology and Renal Transplant Department:

Uretero-Renoscope 4.5/6.5 Fr (Compact needle  
operating fiber uretero-Renoscope) | Flexible  
Cystoscope with accessories | Urodynamic  
Machine complete set with accessories |  
Simultaneous Ultrasound and Pneumatic  
Lithotripsy system etc.

## Pathology Department:

HPLC for HbA1c | Automated electrolyte analyzer (Na, K, Cl, HCO<sub>2</sub> & Lithium and analyzer ISE system with  
accessories) | Cytospin cytocentrifuge | Rotary manual microtome | Research grade Trinocular microscope | ELISA  
microplate washer & reader complete | Nephelometric system | Laminar Air Flow Cabinet (Biosafety level-2) |  
Laboratory water Distillation plant | Hospital incinerator gas fired, horizontal, front loading chamber minimum

temperature 1500degree C with capacity of disposing off 50-100 kg/hour hospital waste without pollution of air | Laboratory deep freezer (-80 °C) | Automated immnostainer etc.

## Others

Picture Archiving & Communication system (PACS) | Automated Karyotyping system | Rotation resectoscope complete set | ICU ventilator | Automated Immunoassay analyzer (Chemi Luminescence) | Intrauterine insemination sets | FISH hybridizer with sample processing unit | Ultra sonogram machine with TVS Probe different size | Automated ELISA System | Portable Ultrasound Machine | Upper Gastro -Intestinal Endoscope | Upper Gastro-intestinal fiberscope | Forward viewing | Bronchoscope machine complete | Portable Anaesthesia | Blood Gas Analyzer | Microdermabrasion unit with accessories | Ultra MDIM 80 super pulse CO<sub>2</sub> surgical laser | Cone beam CT Scan | Blood Bank Refrigerator | Refrigerator 20 CFT | Audiometer clinical pure tone & speech | Audiometer- Impedance | Automated coagulometer | Digital operating microscope | Excimer laser unit complete including Microkeratome (LASIK) | Extractor Vaccum Malmstrom Complete | Humphrey visual field analyzer | Hysteroscopy set with videoscopic (for both diagnostic and operation) | Laser DCR | Non-invasive pulse oxymeter Probe adult | Ophthalmic operation chair | Resuscitation portable manual adult/Pediatric | Spiral CT Scanner Machine | Surgical motor | Ultrasound biomicroscope | Defibrillator with ECG SPO<sub>2</sub> and Paediatric Pad facilities | X-Ray machine with standard accessories 100 - 300 MA/ 300-500 MA/400 to 600 MA/650-850 KV | Ambulatory blood pressure monitoring system | Apnoea Monitor | Argon plasma coagulator | A-Scan (Biometry) | Autoclave cassette type | Automated ESR analyzer | Automated Haematology analyzer low/high throughput/cell count | Automated Immunoassay analyzer | Automated Integrated immunoassay and chemical analyzer | Automated Laser Nephelometry Microplate System for Fungus | Automated Mycobacterial detection system 30 (Colorimetric/IF method) | Automated PCR System complete | Automated Semen Analyzer | Automated Urine Analyzer (Flow cytometry) | Automated visual field analyzer | Automatic Film Processor | Auto transfusion system | Therapeutic/ cell saver | Baby Incubator | Bed ICU (Specialized ICU bed with air fluidized support system for burn patient) | Body warmer | Camera digital with microscope | adaptor universal | Capsule Enteroscopy complete set | Cardiac ETT machine with treadmill | C-Arm (Fluoroscope in operating room for orthopedic use) | Cautery Complete set | Centrifugal casting machine complete | Chair Doctors ENT | Chair Examination ENT Patient Electrically driven | Cold Light Fountains Xenon 300 | Colonoscope | Colposcopy machine | Complete Operating Room Endoscopy | Computerized Radiography system with standard accessories | Corneal Topography Machine | CPAP machine | CRRT Machine | Cryo Machine | Cryosurgery unit | CTG Machine Complete (Fetal Monitor) | Dermoscopy | Diode Laser | ECG Machine | Echo machine will Neonate to adult probe and TEE probe for children | Electric Dermatome complete set with blade (Adult size) | Electric exercise tread mill | ELISA microplate washer & reader | Endosonography system for upper and lower gastro-intestinal tract with oblique and radial scope with accessories | Endovision Digital Full HD (High Definition) three chip camera | Erbium Yag Laser | Extractor Vacuum | Eye Bank | Fiberoptic bronchoscope complete set | Flexible Cystoscopy | Flexible Uretero Reno scope | Fraxel Laser | Freezing Microtome | Full Automatic Steam Sterilizer | Grossing station for histopathology | Haemodialysis Machine | Hand and Foot Paraffin Bath (Large Size) | Harmonic Scalpel | HbA1c analyzer with rack system | High definition camera for laparoscopic surgery with high definition medical grade monitor | Hot air oven | Hot Air sterilizer | Hydraulic Three Section Treatment Table | ICU Bed High Care | ICU Patient Bed | ICU Ventilator (Neonatal and Pediatric Mode)/Adult and Paediatric | Indirect ophthalmoscope e+20D+13D Lens | Infant Warmer/Neonatal Warmer | Infusion pump | Syringe pump | Instrument sterilizer | Interferential Therapy Unit |

IPL Laser | Karatometer | Laser Machine (Low Input) | Laundry Plant Complete | Microscope Operating for ENT/Neuro Surgery/Ophthalmic | Microwave Diathermy Machine | MICS (Minimally Invasive Cardiac Surgery)

Instruments Complete | Multimedia Electrotherapy unit (TENS) | Multi Parameter Monitor with ECG, Temp, NIBP, SPO<sub>2</sub> | Multi-Head Teaching Microscope 10 Head | Multi parameter Cardiac monitor | Narrow Band Cystoscope | Narrow band UVB phototherapy | Nasopharyngeal Endoscopy | Nasopharyngoscope/Rhinolaryngo fiberscope | Nerve stimulator | Non Contact Tonometer (Tonopen) | Obstetric Table Complete | Electrically and Mechanically Operated | Oesophageal & Anorectal manometry | Oesophagoscope (Rigid) complete | Ophthalmic Operation Table | Optical Biometry | Optical system for oesophagoscope complete diff sizes with standard accessories | Optical Urethro Tome Neonate Complete set | Osmometer, Pediatric Cystoscope set | Phaco equipments (Emulsifier) with accessories | Pharyngoscope ENT | Portable 2D USG Machine | Portable Muscle Stimulator | Portable Ultrasound Scanner with Echo | PT APTT Machine/Coagulation checker | Refractometer | Respirometer | Shortwave Diathermy Machine | Surgical diathermy machine | Temporomandibular Joint Arthroscope | THD Evolution Equipment | Therapy System UV-5040 | Traction unit complete | Tympanoplasty Instruments Zoellners complete set | Urinary Bladder Scanner | Video choledochoscope | Video Paediatric Upper Gastro-intestinal Endoscope (computer set) | YAG laser etc.
