What We Do?

1. Manufacturing

Avanscure has 2 fully integrated API manufacturing facilities; one in Vijayawada as Avansdose Pharmatech Pvt Ltd (a fully owned subsidiary of Avanscure) dedicated to Oncology APIs and second in Ankleshwar dedicated to various Generic APIs.

3. R&D

Avanscure has a fully equipped, state-of-the-art R&D centre in Jigani (Bengaluru) with highly experienced & skilled industry professionals.

2. CDMO Business

Avanscure has a well-developed infrastructure to engage with potential partners for Contract Development and Manufacturing of advanced intermediates and APIs for regulated and emerging markets.

4. Global Marketing Alliances

Avanscure has strategic alliances and relationships spanning over two decades with leading pharmaceutical entities in regulated and semi-regulated markets. We are keen to develop new synergies in the global arena.
