About Us

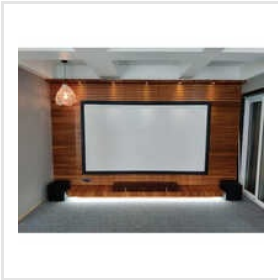

We, Anand Audio Visual, are a proprietorship firm that works with the motto to give a secure and hassle-free online purchase experience to patrons, especially looking for products like Big Motorize Projector Screen, Home Theater Projector Screen, Notice Board, Ceiling Mount Kit, Projector Stand, White Board Marker, and more. Sold under a trusted brand, our screens and projector kits, created employing the most up-to-date technology, assure great results at a low cost. The screens and boards are offered in multiple specifications and accompanied by high technology cables, sturdy mounts, and customized stand requirements in sync with tailored client needs. Introducing newer products in the Indian market is the aim that keeps us going strong in our field as a manufacturer and supplier in the market.

Our team consists of expert professionals who make sure that every project that comes our way is completed within the stipulated time frame. These people have years of industry knowledge and experience, thus making them highly capable of curating our product range. Banking on the same, we are able to ensure that all the projects that come our way are completed within the stipulated time frame.
