## About Us

We at Landmark Crafts Limited have been recognized as the most quality-focused and customer-centric firm in the global marketplace. Since 2007, we have been contributing in the mechanical, automobile and many other sectors by providing them the finest grade of industrial components. We are also a part of the Dun & Bradstreet Global Database and has been assigned the D&B D-U-N-S. As a manufacturer and exporter, we have been holding a prominent spot in the respective field because we never compromise in the quality of products as well as services. Our offered product line ranges from HP Hexagon Head Screw, Self Drilling Screw, Pan Head Screw, HP Pan Head Screw, HP Self Drilling Screw, HP Wing Self Drilling Screw, Butyl Tape to various more products.

These products have wide popularity under the brand name of HP. They have Xylan coating which passes 1000 hrs. SST with leak resistant EPDM washers. We serve screws that have various drilling capacities. Even some of these screws can drill through 18 mm thick purlins. Our company delivers only quality approved products to customers and, that too at very reasonable prices. This has been one of the major secrets to our endless growth and prosperity in the field.
