About Us

Interior designers love the bespoke spaces that are amazingly detailed. The modern interior designing has taken a drastic change with acoustic panels taking the market with storm. Seizing the opportunity, we, Dalsons (India), came into existence as a wholesaler of wide variety of panels. Imported from Vietnam, China and South Korea; our selection of 6 mm X 250 mm without Groove Flat Window Door Panel, 5 mm Slim Mold Wall Panel, 6 mm Super Heavy Plain Door Panel, 6 mm Designer Printed Wall Panel and more are highly demanded in the market due to many factors, of which some are waterproof, aging-resistance, corrosion resistance, easy installation, fire retardant, environment friendly, etc. For importing our product line from different countries, we have set up long lasting relations with many businesses, for which; we are considered as a reliable importer.

Weather stability, impact resistance, durability, thermal insulation and mechanical strength are some of the attributes of products offered by Dalsons (India) due to which our 6 mm Super Heavy Printed Wall Panel, 5 mm Slim Mold Wooden Door Panel, 6 mm X 250mm without Groove Flat Wall Panel and more are highly demanded in the market under the brand name, Delby. Based in Ludhiana, Punjab, India is our warehousing facility where we store aforesaid and more products after sourcing these from our vendors. With our team of 50 members, we fulfill every requirement of our customers within the stipulated time period.
