molding capacity range  
available from 60T to  
250T

60T

x 2<sub>m/c</sub>

tie bar distance (mm) : 320 x 320  
mold height (mm) : min.100 to max 300  
shot weight (g) : approx. 55

90T

x 1<sub>m/c</sub>

tie bar distance (mm) : 375 x 375  
mold height (mm) : min.120 to max 350  
shot weight (g) : approx. 150

110T

x 2<sub>m/c</sub>

tie bar distance (mm) : 420 x 420  
mold height (mm) : min.150 to max 420  
shot weight (g) : approx. 190

140T

x 2<sub>m/c</sub>

tie bar distance (mm) : 450 x 450  
mold height (mm) : min.150 to max 450  
shot weight (g) : approx. 250

200T

x 2<sub>m/c</sub>

tie bar distance (mm) : 500 x 500  
mold height (mm) : min.200 to max 500  
shot weight (g) : approx. 300

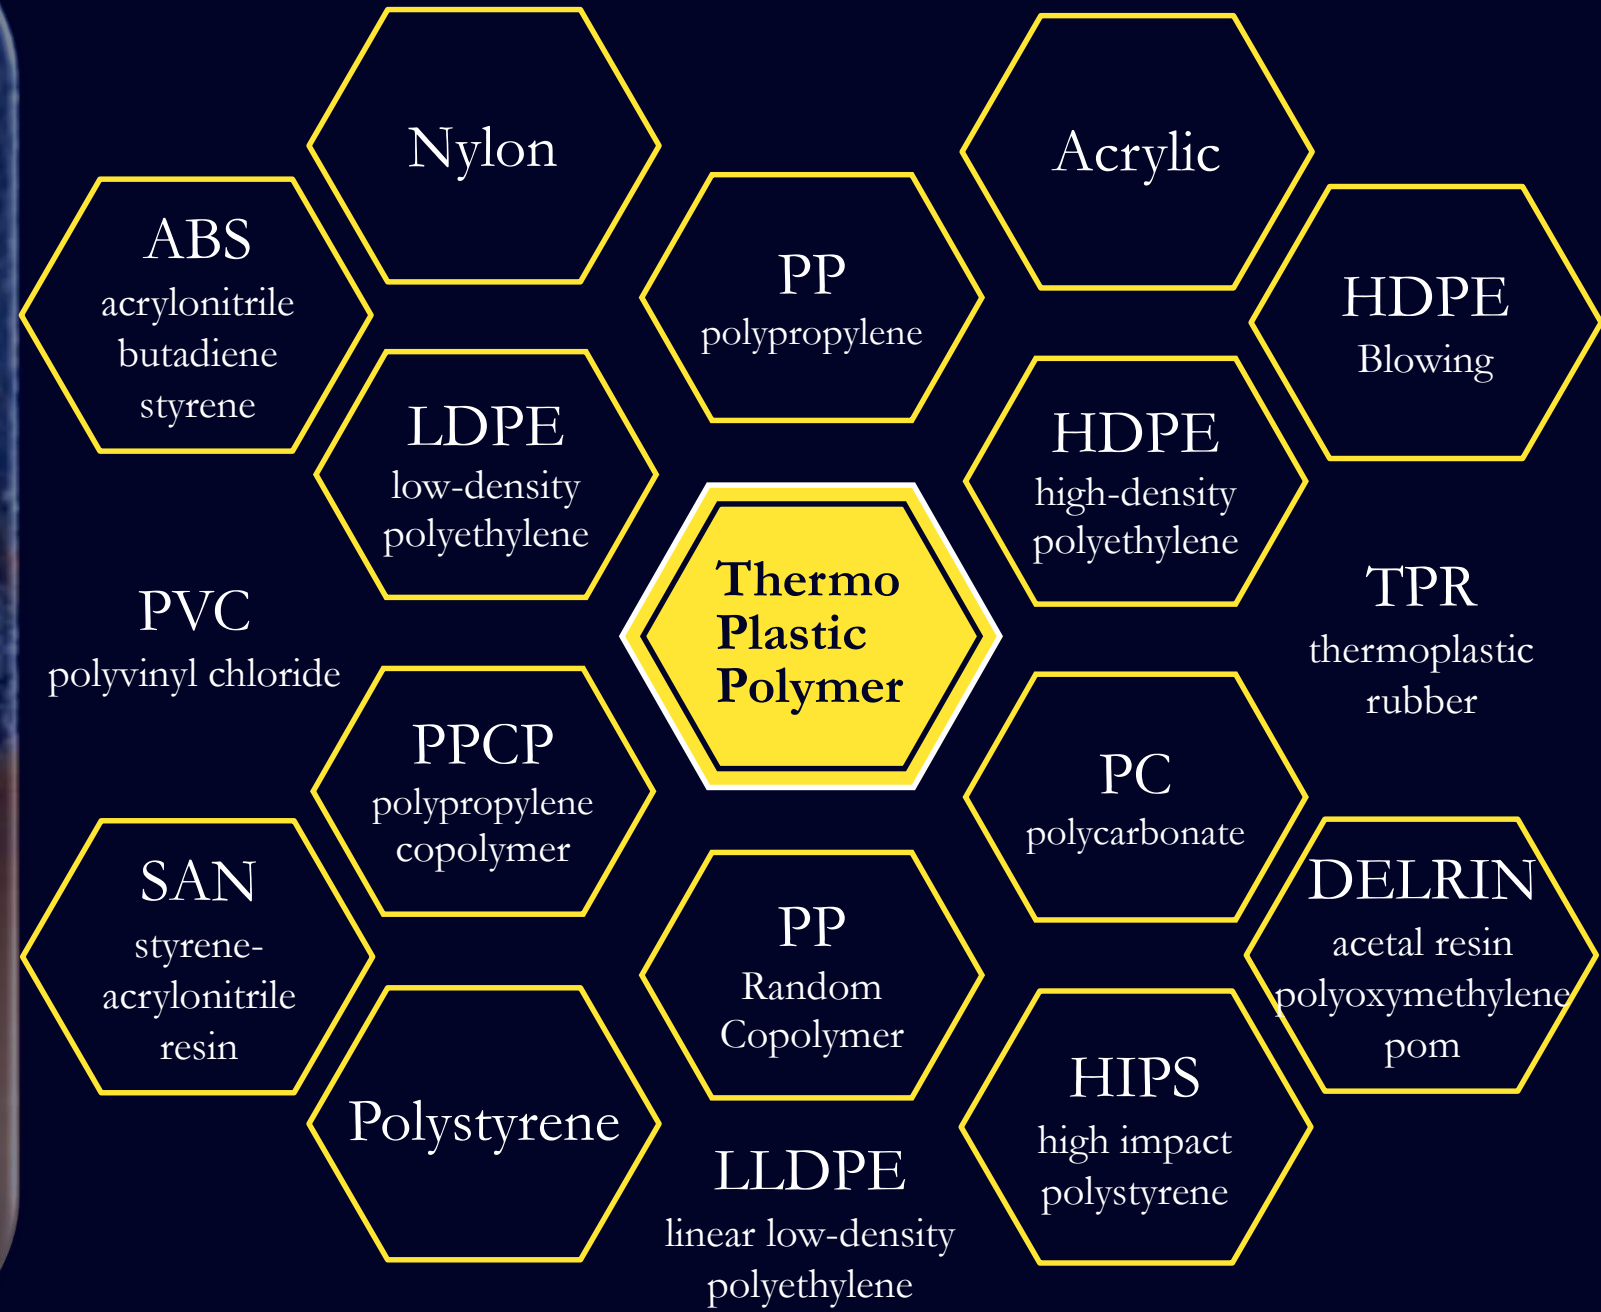

250T

x 1<sub>m/c</sub>

tie bar distance (mm) : 550 x 550  
mold height (mm) : min.200 to max 520  
shot weight (g) : approx. 400

## 1ml Rubber Teat Dropper

1. 1ml rubber teat dropper, 62mm polystyrene pipettes for 22mm neck size (marking (ml): 0.1,0.2,0.3,0.4,0.5,0.6,0.7,0.8,0.9,1.0)
2. 1ml rubber teat dropper, 64mm polystyrene pipettes for 22mm neck size (marking (ml): 0.30,0.60,1.0/0.25,0.50,1.0)
3. 1ml rubber teat dropper, 62mm polystyrene pipettes for 25mm neck size (marking (ml): 0.1,0.2,0.3,0.4,0.5,0.6,0.7,0.8,0.9,1.0)
4. 1ml rubber teat dropper, 64mm polystyrene pipettes for 25mm neck size (marking (ml): 0.30,0.60,1.0/0.25,0.50,1.0)

## Plastic (PP) Measuring Cup

1. round plastic measuring cup 10ml for 25mm neck size (marking (ml): 2.5,5,7.5,10)
2. round plastic measuring cup 10ml for 28mm neck size (marking (ml): 1.25,2.5,5,7.5,10)
3. round plastic measuring cup 15ml for 34mm neck size (marking (ml): 2.5,5,10,15)
4. round, 2 side flat plastic measuring cup 10ml for 25mm neck size (marking (ml): 2.5,5,10)
5. conical plastic measuring cup 15ml for 25mm neck size (marking (ml): 2,4,7,10,13/3,6,9,12,15/2.5,5,8,11,14)

## Inner Push Plug

1. lldpe inner push plug for 28mm neck size (glass/hdpe bottle)

## Screw Cap

1. plastic (pp) screw cap for 30mm neck size

## Plug Dropper & Seal Cap

1. ppcp seal cap with lldpe smart plug dropper for 18mm neck size

## Child Resistant Cap (CRC)

1. pp crc for 25mm neck size
2. pp crc for 28mm neck size

## Secure Container (Securitainer)

1. 92mm height plastic (pp) securitainer & 62mm neck size ldpe/hdpe, t/e push-on tamper proof lid, evident cap

## Blow Molded 100ml HDPE Bottle

1. 28mm neck size blow molded 100ml hdpe bottle with crc & 60ml marking

## Blow Molded 1900ml HDPE Bottle

1. 116mm neck size blow molded 1900ml hdpe bottle with pp screw cap

detailed technical specifications on request

# Contract & Third Party Products List

## Pharmaceutical

- 5ml spoon
- nebulizer mask
- 18mm bottle cap
- 18mm bottle ring
- 2.5ml & 5ml spoon
- 25mm dropper cap
- 6cm round container
- 8cm round container
- 15mm bottle inner cap
- multi-utility container with lid
- all cost savers precision products mentioned in above slides

## Electrical

- end cap
- hanging rods
- led signage cap
- hanging canopy
- hanging pinnacle
- 12w top & bottom panel
- round led light top & bottom panel
- square led light top & bottom panel

## Automotive

- 5/8 protection big cap
- 3/8 protection small cap

## Cosmetic

- nail paint cap (small & big)
- cream - round jar & plug
- perfume bottle inner cap
- kumkum tube bottle

## Commercial

- wall paint brush handle
- soap case/dispenser
- gate valve base
- food container
- safes key hole
- ice cube tray
- cloth hanger
- nut & bolt
- cable tie
