About Us

Established in 1992 and headquartered in Mumbai, Maharashtra, India, Kunhar Peripherals Private Limited has been a leading manufacturer, supplier, and service provider of high-quality Uninterruptible Power Supply (UPS) systems. With over three decades of experience, we specialize in ensuring uninterrupted power solutions for homes, businesses, and industrial setups across India. Our commitment to quality, reliability, and customer satisfaction has made us a trusted name in the UPS industry. We provide a wide range of UPS systems tailored to meet diverse power requirements. We offer Line Interactive UPS, Online UPS, Lift UPS, etc.

At Kunhar Peripherals, we provide professional installation services for all types of UPS systems. Our team of certified technicians ensures that every installation is performed with precision, adhering to safety standards and manufacturer guidelines. From selecting the right UPS capacity to configuring the system for optimal performance, we handle every aspect of the setup. Our goal is to deliver a hassle-free installation experience that maximizes efficiency and extends the life of your UPS system.
