About Us

We are 2010 based ISO 9001:2015 certified manufacturer, supplier and exporter of Fire Extinguishers, Abc Type Fire Extinguisher, Fire Hydrant Systems, Fire Detection Systems, etc. Our Fire Extinguishing System is consist of storage cylinder, liquid check valve, high-pressure hose, box etc. These systems are manufactured at our huge infrastructure in observance with the set international quality standards and guidelines that help us to achieve all the desired tasks in a planned manner. These products are specifically manufactured by our skilled professionals using the high quality gases like carbon dioxide, halon, fluorocarbon and cutting-edge technology in order to meet the set industry norms. We also work as a key Distributor, Wholesaler, Service provider and Trader. We are looking for orders mainly from Delhi / NCR and Alwar.

Being a customer based company, we, Axis Fire Protection strive to offer the best range of Fire Extinguishers, Fire Fighting and Detection Systems that are high on every aspect of performance and reliability. We follow strict quality control measures at every stage of manufacturing to ensure smooth and flawless production. With our dedication and professional attitude, we have achieved appreciation from broad spectrum of clients that are spread all over the world. We have made a strong foothold in India, and African Countries as the manufacturer, supplier and exporter of Fire Extinguishers, Fire Suppression System and Detection Systems based in Gurgaon, India.

Key Facts

Nature of Business	Wholesaler
Primary Competitive Advantages	slurry valve,slide gate valve,rotary segregating valve,knife gate valve,ash handling system expansion joints,feed hoppers,ash handling equipment,fire extinguisher refills,photoelectric smoke detector,fire hose reels
No of Staff	25
Year of Establishment	2010
OEM Service Provided	No
Memberships	IAS
ProductRange	slurry valve,slide gate valve,rotary segregating valve,knife gate valve,ash handling system expansion joints,feed hoppers,ash handling equipment,fire extinguisher refills,photoelectric smoke detector,fire hose reels

Our Products

DCP Fire Extinguisher

Firedetec Suppression System

Machine Fire Suppression System

Boat Fire Suppression System

Automatic Fire Suppression System

Commercial Fire Suppression System

Carbon Dioxide Total Flooding System

Kitchen Fire Suppression System

Double Headed Hydrant Valve

Fire Hydrant Valves

Dry Powder Fire Extinguisher

Water Type Fire Extinguisher

Portable Fire Extinguishers

Air Sampling Smoke Detection

Bus Fire Suppression System

CNC Machine Fire Suppression System

ADDRESS

Plot No. 332, Basai Enclave Part-2, Gali No. 07, Near Corona Optus, Sector-37C, Gurugram, Haryana, India (122001).
