About Us

With the advent of new technology, various innovative machines & equipment are being introduced on a daily basis. Thus, the requirement for new and advanced machinery & equipment in many different industries was comprehended by our company, Ekdant Equipments Pvt. Ltd. The year 2013, is when we officially began our business to provide a top-notch range of products & services as a supplier, trader, dealer, wholesaler and service provider. Customers have always been in favor of our high-tech product range which includes Pipe System And Flexible Hose, Hedge Trimmer, Rotary Table For Milling Turning and Rectified, Wet And Dry Vacuum Cleaner, Thread Cutting Machine, Pipe Cleaning Machine, Flushing and Pipe Cleaning Machine, etc. As our products are procured from dependable sources, they are all of premium quality and work optimally. We are proud of being authorized dealer of STIHL, Rothenberger and MTD brand.

Out of the many factors taken into consideration by a customer before engaging with a business, is the quality of their offerings. Thankfully, for our company, Ekdant Equipments Pvt. Ltd., ensuring that our customers get the finest quality products has always been our topmost concern. Being a quality-centred company, we acquire our product array including Oil And Coolant Mist Collectors, Lawn Mower, Horizontal And Vertical Rotary Table, Rothenberger Electric Pressure Test Pump, Electric Pressure Test Pump, Inspection Camera For Pipes, etc., from only the top vendors of the market. We make available products of STIHL, Rothenberger and MTD brand. Following the fulfillment of the procurement phase in our facility, which is situated in the city of Pune, Maharashtra, India, we test our entire product assortment as per various quality regulations. Once we get assured about defect-free nature of offerings, we supply them in markets.
