

Industrial Slotting Machine

Never Breaking Your Trust Is Our Speciality

Dog Chuck, FEP Lined Ball Valve, FEP Lined Butterfly Valve, FEP Lined Check Valve, FEP Lined Diaphragm Valve, FEP Lined Flush Bottom Valve, FEP Lined Plug Valve, Fully Automatic Heavy Duty Lathe Machine, Heavy Duty Lathe Machine, Heavy Duty Radial Drill Machine, Light Duty Lathe Machine, Lined Pipes, PTFE Ball Check Valve, PTFE Coated Cylinder, PTFE Coated Mold, etc.

SELF CENTERING CHUCK WITH 3 JAW

4.5 FEET LIGHT DUTY LATHE MACHINE

BANDSAW MACHINE

About Us

With great industry experience and knowledge, Divine Industries started manufacturing industrial machines in 1990. The precision we maintain in the products reflect in their great performance, longer operational life and smooth operations. By utilizing the resources efficiently, our team members are producing top-notch Independent Lathe Chuck, Industrial Heavy Duty Lathe Machine, Medium Duty Lathe Machine, Slotting Machine, Thread Milling Machine, etc. World-class components and technologies integrated in the offered machinery so that it gives excellent results to the users. Our group of professionals design and engineer the machines as per the latest market trends in adherence with the industry set standards.

Over the period of time, the relations we have established with our customers and vendors are based on trust, understanding and respect. By maintaining complete transparency in the business dealings, we try our level best to develop long-term relations with the clients. We have successfully become a prominent manufacturer and supplier in the industry due to reasons like ethical business practices, client-centric policies and futuristic approaches. The professionals working in our company put their best efforts in the tasks with the motive to achieve the targets within the deadlines. We are extremely sincere towards our work and make sure to complete the undertaken projects within the time frame.

It has been more than three decades that Divine Industries has been catering to the needs of various industries by supplying world-class Thread Milling Machine, Extra Heavy Duty Lathe Machine, Industrial Manual Lathe Machine, Independent Lathe Chuck, etc. With utmost dedication and honesty, we are manufacturing the products using high-grade materials, modern technologies and equipment. We have a team of skilled professionals who use their domain expertise and knowledge during the tasks to bring out the best. The team members use cutting-edge technologies and machinery in the manufacturing processes which are installed in our infrastructure unit located in Ahmedabad, Gujarat (India).

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	power press machine,independent chuck,true chuck,radial drilling machines,industrial lathe machine,precision lathe,heavy duty lathe machine,industrial lathe machine,lathe chucks,precision lathe
No of Staff	10
Year of Establishment	1990
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	as per client order
ProductRange	power press machine,independent chuck,true chuck,radial drilling machines,industrial lathe machine,precision lathe,heavy duty lathe machine,industrial lathe machine,lathe chucks,precision lathe

Our Products**4.5 Feet Light Duty
Lathe Machine****7 Feet Heavy Duty
Lathe Machines****Industrial Manual
Lathe Machine****Medium Duty Lathe
Machine****Self Centering Chucks
(True Chucks)****5.5 Heavy Duty Lathe
Machine****Lathe Machine****Industrial Thread
Milling Machine****6 Feet Medium Duty
Lathe Machine****Bandsaw Machine****Independent Lathe
Chuck****Industrial Heavy Duty
Lathe Machine****Industrial Slotting
Machine****Extra Heavy Duty Lathe
Machine****Light Duty Lathe
Machine****7 Feet Heavy Duty
Lathe Machine**
