About Us

Automation industry, being one of the largest industries in world; is expanding at a rapid speed. From Electric Motors to various kinds of Gear Boxes; all automation products are essential for continuous progress of the industry. J. D. Mechanization is a dedicated manufacturer and supplier of an assorted collection of Industrial Products that discover applications in automation, electronic and different enterprises. As a Maharashtra (India) based brand, we entered the industry in the year 2014. Using progressive techniques, we are manufacturing Pmdc Motor, Pmdc Geared Motor, Ac Geared Motors, Helical Geared Motor, Aluminum Worm Gear, Gear Boxes, Speed Controllers Motors, Pumps, DC Drives and many more. To accomplish fabricating Excellence, we outline and build up all machines by utilizing segments that have been procured from driving merchants of the business and tested by our quality control specialists. Accessible in various specialized specifications so that we can fulfill the diversified demands of all our customers effectively. We are interested in receiving inquiries for bulk quantity..

Backed by superb infrastructure, J. D. Automation is serving to a number of industrial clients with its mixed range of industrial products that are used in automation and electronic industries. We are located at Maharashtra (India) since 2014 and strive to remain the most preferred brand by developing products in compliance with industrial standards. Our offered collection of products comprises Permanent Magnet DC Motor, DC Drives, AC Drives, Pumps, Speed Controllers, Gear Boxes, Motors Electric, etc. Due to a number of attributes like reliable performance and longer functional life; these products are huge demanded by our clients. Also, with support of our well-organized company infrastructure; we keep up to our brand value by delivering all consignments as per prefixed time.

Key Facts

Primary Competitive Advantages	ac motor speed controller,worm gearbox,aluminum worm gear box,helical geared motor,helical gear box,helical geared motor,speed controller,permanent magnet dc motor,worm geared motors,ac geared motor
No of Staff	12
Year of Establishment	2014
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	500 nos
ProductRange	ac motor speed controller,worm gearbox,aluminum worm gear box,helical geared motor,helical gear box,helical geared motor,speed controller,permanent magnet dc motor,worm geared motors,ac geared motor

Our Products

FHP Gear Motor

FHP Electric Motor

**Permanent Magnetic
DC Geared Motors**

**Permanent Magnet
Direct Current Motors**

120W PMDC Motor

60W PMDC Motor

PMDG Geared Motor

PMDG Geared Motor

DC Motors

PMDG Motor 1500 Rpm

90W PMDC Motor

150W Geared Motor

25W Geared Motor

Brushless DC Motors

PMDG Motor 4 POLE

40W PMDC Motor
