About Us

We are 2005 based company, working as a manufacturer and supplier of Crocheted/Knitted & Woven/Needle Narrow Fabric Elastic & Laces. From past 25 years, our company is associated with manufacturing and trading Narrow fabric and laces. We are known for supplying premium quality elastic adhering to latest quality standards. The reason behind our success is our dedication to provide the best possible fabric solutions to our clients. We use only the best of materials, weaving patterns for meeting our customer particular requirements and different industrial applications. Our success can be attributed to consistent innovation in fabric designing & construction techniques, together with the use of superior quality fibers. We Supply all our Products to all reputed Garment Houses all over India.

We are renowned manufacturer and supplier of Garments Plain Tapes, Plain Tapes, Elastic Tapes, Elastics, Laces and Ribbons. The tapes and laces are designed using finest grade of yarns and thread, which is obtained from authentic vendors. Our products are known for their durable finish, high flexibility, strength and reliability. It is offered in various designs and specifications to the customers. Further, we make sure that none of the range is left with defect, thus test it on various parameters before delivery. We pack the finished range in quality approved packaging material.
