About Us

The name most trusted in the market for buying FRP products is Crystal Fibrotech. We are proud of our earned reputation in the market. Thanks to the sincere efforts of our professionals, our firm has gained recognition in the domain. The company, which was formed in the year 2000, is setting milestones with every passing day under the tutelage of its mentor, Mr. Rahul Khandagale. By conducting several pieces of research related to our FRP products and making innovative products available, we have gained popularity in the market. Our company stands out among the manufacturers and suppliers of FRP Septic Tanks, FRP Plating Tanks, FRP Linings, FRP Line Gutters, etc. To make these products, we source the finest quality polymers, fibres, and many other materials.

We keep experimenting with production techniques just to serve the best customers at a low cost. Our range of FRP products can be availed of by customers in various designs, colors, shapes, thicknesses, and specifications.
