About Us

Cashews are not only eaten as dietary snack, but are added in varied recipes from spicy to sweet ones. Being a crunchy nut, it is loved by people of all ages and regions. However, no matter how simple this nut appears, the process of obtaining it from its raw state is highly complex as it involves various stages. Italiya International is counted amongst the renowned manufacturers, exporters and importers of Cashew Peeling Machine, Automatic Cashew Nut Cutting Shelling Machine, Cashew Nut Processing Machine, Cashew Sizing Machines, Cashew Processing Machinery, Drying Oven For Cashew Nut Processing and more to allow cashew processing industry an easy completion of their tasks without making much efforts. Numerous people from all over love to establish long lasting relationships with us not only because of the quality of our products, but due to the way we conduct our business operation in a fair manner.

We emerged in the market with the vision of our CEO, Mr. Ketan Italiya to be the best in our domain, be it rendering premium quality products or solving queries of our customers. Based upon this belief only, one can observe the visible difference in our working from others.
