INJECTION

About Us

Being a part of an industry which is responsible for the well being of the society, we, Sunvet Pharma Pvt. Ltd. have always performed like a responsible contender. We are counted as a prominent manufacturer of PCD Pharma, Dry & Liquid Injections for Humans & Veterinary, falling under the category of Lactam Dry Powder Injection, General Range Injection, Hormonal Injection and covering a wide range for Veterinary Injections. Since the time we emerged as a player in the medical industry, we have maintained high standards of production of various items which enable us to achieve ISO 9001:2008 , GMP & GLP certifications. By supplying an exceptional range of medicines, we have attracted numerous clients as well as today we are serving numerous major medical institutes and hospitals all across the nation.

Founded in 2007, Sunvet Pharma Private Limited, on the Kala Amb to Nahan roadside in Upper Moginand Village in a pollution-free environment. Hills and low-polluting nearby enterprises form the site's northern, southern, and western boundaries. At the same time, a road runs along its eastern side. We have a manufacturing and packaging license for various SVP dosage forms.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	doxycycline injection,paracetamol injection,amoxicillin injection,clindamycin injection,cefepime injection,veterinary injections,veterinary third party manufacturing,veterinary third party manufacturing,pharmaceutical third party manufacturing,pharma franchise
No of Staff	500
Year of Establishment	2007
No of Production Lines	2
OEM Service Provided	Yes
Memberships	IDMA
ProductRange	doxycycline injection,paracetamol injection,amoxicillin injection,clindamycin injection,cefepime injection,veterinary injections,veterinary third party manufacturing,veterinary third party manufacturing,pharmaceutical third party manufacturing,pharma franchise

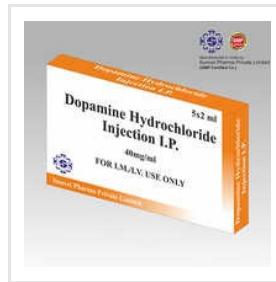

Our Products

Ceftriaxone With Sulbactam Injection

Meropenem 1000mg Injection

Hydrochloride Injection

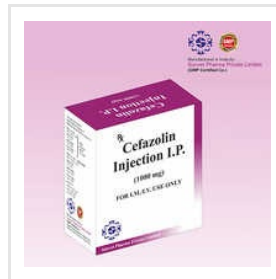

Amoxycillin Potassium Clavulanate 1200 Mg

CITICOLINE INJECTION 250MG/ML IN THIRD

Ceftazidime Injection In Third Party

Cefazolin Injection In Third Party

CEFTIZOXIME Injection (2.5 Gm)

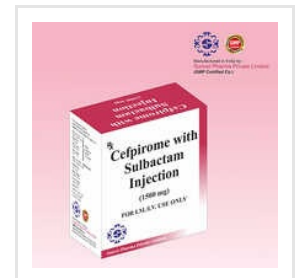

Ticarcillin Clavulanate Injection In Third Party

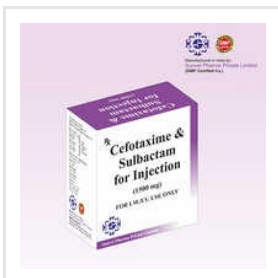

Cefuroxime With Sulbactam Injection In

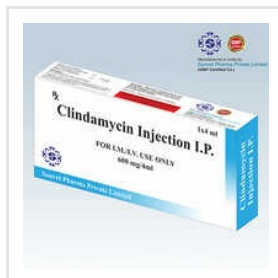

Meropenem With Sulbactam Injection In

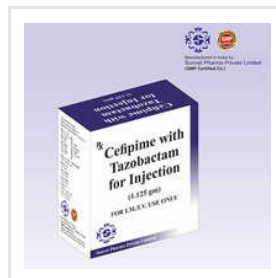

Cefpirome With Sulbactam Injection In

Cefotaxime With Sulbactam Injection In

CLINDAMYCIN Injection

Cefepime With Tazobactam Injection

Amoxycillin With Potassium Clavunate
