About Us

At Roys Cable Pvt. Ltd., we take pride in being a trusted name in the cable and conductor industry. Since our inception in 2020, we have steadily established ourselves as a reliable manufacturer, trader, and supplier of high-quality cable solutions, proudly operating from Murshidabad, West Bengal. Our core product range includes ACSR Cable, ACSR Conductor, Insulated Conductor, Insulated Messenger Cable, etc, designed to meet industry standards and tested for performance, our offerings are built to power infrastructure, support connectivity, and ensure operational efficiency across sectors.

We believe in delivering solutions that are not just products, but long-term assets to our clients. Our cables are engineered to offer superior conductivity, strength, and reliability backed by innovation and stringent quality control. From residential applications to industrial installations and utility-grade needs, we provide products that help build a stronger electrical backbone for every kind of project.

With a team of skilled professionals and a customer-first mindset, we continue to evolve and adapt to meet the ever-changing demands of modern infrastructure. Our manufacturing practices incorporate both precision and technology, ensuring that every product that leaves our facility upholds our promise of excellence.
