About Us

We, Abhishek Computer, are glad to notify our customers that we are recognised as a prominent manufacturer and trader of a diverse range of items high demanded in markets. Our range includes Sublimation Mobile Back Cover, 3D Sublimation Mobile Cover Printing Machine, Personalized Sublimation Color Mug, etc. All our products are manufactured under the supervision of dynamic manufacturers, packaging experts and quality agents. They implement latest technologies and equipments in the production of these offerings as our motto is to bring in the market only superlative range, that can exceed the satisfaction of all our customers. In our company utmost preferences are given to quality and satisfaction of customers and for that no stone is left unturned by us. Along with our high grade product range, we are trusted as an eminent service provider of Sublimation Printing Services. Our company is also acknowledged as a profound third party importer. Mr. Jinesh Jain is the owner of our company. He is the one who is in charge of the entire management. He inspires and pushes our employees to work hard in order to achieve the desired goal in a projected time frame.

Operating from the prime location of Hyderabad, Telangana (India), we, Abhishek Computer, were incorporated back in the year 1988. We are recognized in the marketplace from then as a profound Manufacturer and Trader of the industry that deals broad range of products. Some of which includes Sublimation Printable Blank Rakhi, Sublimation Color Mug, 3D Sublimation Mobile Cover Printing Machine, etc. These items are manufactured at our facility under the vigil of experts. In our factory premises we have separate divisions to conduct the manufacturing, quality inspection, research and packaging works and these divisions are fitted with robust machinery and sound technologies. In the presence of a supervisor the work is executed in the departments as it leads to swiftness and smoothness in the work operations.
