India's
LEADING
BRAND

FROM OUR FARMS TO YOUR FREEZER

CONTRACT FARMING

In Pal Frozen Foods we grow our own vegetables by contract farming to maintain the quality and essence of the product. It helps us to have products available as per our requirement with assured eminence. We get in a pre-agreed price for the raw material from the farmers with buy back guarantee to the farmers. The production unit of the company is located at Haldwani with automated machines and equipment used for cutting, peeling and shedding of the material. Every equipment is PLC Control.

SM PAL GROUP

Based in Haldwani, Uttarakhand, SM Pal Group is a group of companies that embarked on its journey with its initial establishment of the company – Pal Stone Industries in 1988-1989 as suppliers of quality raw materials, stones, and grits from its stone crushing unit at Halduchaur, Haldwani. The growth and development of Pal Stone Industries marked the diversification of the group into various other industry verticals, namely:

1. Pal Frozen Foods
2. Pal Colonisers
3. Pal Stone Industries
4. Pal Ford & Pal Nissan

PAL FROZEN FOODS

Committed to doing our part across the food system. We take pride in providing foods that are convenient, affordable, and delicious. In 2013, Pal Group entered the field of agriculture-based processing as Pal Frozen Foods specializing in planning, processing, and producing quality fruits and vegetables under the brand name “Pal Fresh’. With homegrown supplies and our own frozen plant in Haldwani, Lucknow, Dehradun we deliver the best to our partners all over the nation and the world, hence creating a prominent name in the industry.

CHAIRMAN

“Setting and achieving a higher bar will be the key to our successes.”
