Thirikaduku Choornam

Indications:- Natural appetizer
Corrects indigestion
Common cold

Composition: [Each 500mg Tablet Contains] (Each one part of) Zingiber Officinale (dry) (chukku), Piper Nigrum (milagu), Piper Longum (thippili) (thirikaduku)

Dosage: 500 Mg (as directed by physician)

Thiribala Choornam: (Thriphala)

Indications:- Anti-oxidant
Blood purifier
Prevention of eye diseases

Composition: [Each 500mg Tablet Contains] (Each one part of)
Terminalia Chebula (kadukkai Thol),
Emblia Officinalis (nellivatral),
Terminalia bellirica (Thandrikkai Thol)

Dosage: 500 mg – 1 gm (as directed by physician)

Pirandai Uppu Choornam: (Vajravalli)

Indications:- Osteo arthritis
Menopausal problems

Composition: (Each one part of)
Cissus quadrangularis (pirandai kodi),
kariuppu (common salt)

Dosage: 100 - 200 mg (as directed by physician)

VADAGAM

Thalisathy Vadagam (500mg Tablets)

Indications:- Throat infection
Tonsillitis
Hoarseness of voice
Common cold

Composition: (Each one part of)
Taxus baccata (thalisapathiri), Piper nigrum (milagu),
Sevviyum, Piper longum (thippili),
Thippili Moolam, Zingiber officinale (dry)-chukku,
Cinnamon Bark, Lavangapathiri,
Mesua ferrea (sirunagapoo), Cardamom,
Alpinia galanga (sitharathai), Sugarcane Sugar, Cow Milk

Dosage: 1 – 2 tablet, twice daily (as directed by physician)

MANAPPAGU

Adathodai Manappagu

Indications:- Cough due to throat diseases
Expectorant

Composition: (Each one part of)
Adathoda vasica Leaf (adathodai),
Sugar(sarkarai), Water (QS)

Dosage: 5-10 ml , twice daily (as directed by physician)

Elumichai Sarpath

Indications:- Fatigue due to dehydration
Excessive body heat
Natural source of vitamin-C

Composition: (Each one part of)
Lemon juice(elumichai pazha saru),
sugar(sarkarai) Water (QS)

Dosage: 5 –10 twice daily (as directed by physician)

Inji Sarpath

Indications:- Belching
Flatulence
Indigestion
Loss of appetite

Composition: (Each one part of)
Zingiber Officinale (inji),
Sugar (sarkarai), Water (QS)

Dosage: 5 - 10 ml , twice daily (as directed by physician)

Mathulam Pazha Sarpath

Indications:- Morning sickness of pregnant women
Bitterness of tongue
Giddiness due to gastric problems

Composition: (Each one part of)
Pomegranate Juice (mathulai),
Sugar (sarkarai)

Dosage: 5 -10 ml, twice daily (as directed by physician)

Nannari Manapaggu

Indications:- Excessive body heat
Leucorrhea
Burning micturition
Urinary tract infection

Composition: (Each one part of)
Hemidesmus indicus(nannari ver),
sugar(sarkarai), water (QS)

Dosage: 5-10 ml, twice daily (as directed by physician)

Naratham Pazha Sarpath

Indications:- Nausea and heart burn due to hyperacidity
Belching due to indigestion

Composition: (Each one part of)
Naratham pazha saru,
sugar (sarkarai)

Dosage: 5 - 10 ml, twice daily (as directed by physician)

Santhana Sarpath

Indications:- Sweating in palms and sole
Burning micturition
Excessive body heat

Composition: (Each one part of)
Sandal Wood Powder(Santhanam),
Saccarum Officinarum (karkandu), Water (QS)

Dosage: 5 - 10 ml, twice daily (as directed by physician)

Thamarai Sarpath

Indications:- Excessive body heat
Supportive therapy for epilepsy
Memory disorders

Composition: (Each one part of)
white lotus flower (ven thamarai poo),
sugar (sarkarai), water (QS)

Dosage: 5 - 10 ml, twice daily (as directed by physician)

Dhiratchai Sarpath

Indications:- Peripheral Neuritis,
Excessive Thirst
Constipation,
Cardiac Tonic

Composition: (Each one part of)
Grape Juice(dhiratchai Saru),
Saccarum officinarum (karkandu), Water (QS)

Dosage: 5 - 10 ml, twice daily (as directed by physician)

RASAYANAM Thippili Rasayanam

Indications:- Allergic asthma
Bronchitis
Pulmonary tuberculosis
Chronic respiratory tract diseases

Composition: (Each one part of) Zingiber officinale(dry)(chukku), Piper nigrum (milagu), Piper longum (thippili), Cuminum cyminum (jeeragam), Nigella arvensis (Karunjeeragam), Trachyspermum ammi (omam), Hyoscyamus niger(kurosani Omam), Alpinia galangal(sitharathai), Alpinia officinarum (perarathai), Terminalia chebula (kadukkai Thol), Emblica officinalis(nellivattai), Terminalia bellarica (Thandrikkai Thol) (thiripala), Syzygium aromaticum (karambu), Lavangapathiri, Taxus baccata (thalisapathiri), Plumbago zeylanica(kodiveli Verpattai), Elettaria cardamomum (Elam), Cinnamomum zeylanicum (lavangapattai), Sugar(sarkarai), Honey.

Dosage: 500 mg -1gm, twice daily (as directed by physician)

LEGIUM Kadukkai Legium

Indications:- Habitual constipation
Blood purifier-detoxifier

Composition: (Each one part of) Terminalia chebula(kadukkai), Operculina turpethum(sivathai), Ginger(inji), Piper nigrum(milagu), Trachyspermum ammi(omam), Embelia ribes(vaivilangam), Piper longum(thippili), Palm jaggery, Ghee.

Dosage: 5 - 10 gm, twice daily (as directed by physician)

Karandhai Legium

Indications:- Cheek cancer
Cancer in penis
Supportive therapy for cancer patients

Composition: (Each one part of) Siva karandhai (sphearanthus Aranthoides) Zingiber officinale (dry) (chukku), Piper nigrum (milagu), Piper longum (thippili), Terminalia chebula(kadukkai), Terminalia bellarica (thandrikkai), Acorus calamus (vasambu), Indihuppu, Celastrus paniculatus (valuluvai), Sausurea lappa (koshtum), Nigella arvensis(karunjeeragam), Trachyspermum ammi (omam), Elettaria cardamomum (elam), Curcuma longa (manjal), Psoralea corylifolia (karbogaris), Piper nigrum-root (sevvium), Piper longum (thippili), Myristica fragrans (sathikkai, sathipathiri-mace), Michelia champaca (shenbaga Poo), Taxus baccata (thalisapathiri), Syzygium aromaticum (karambu), Glycyrrhiza glabra (adhimathuram)

Dosage: 5 - 10 gm, twice daily (as directed by physician)

Karunai Legium

Indications:- All types of piles
Fistula in ano
Anal fissure

Composition: (Each one part of) Kattukarunai, Karakarunai, Puli Naralai, Cissus quadrangularis (pirandai), Marul kilangu, Aloe vera -root (kumari Ver), Pidi Karunai, Mango seed (mamparuppu), Terminalia chebula (kadukkai Thol), Zingiber officinale (dry) (chukku), Plumbago zeylanica-root(kodiveli Ver), Cyperus rotundus (koraikilangu), Sarakkondrai puli, Palm Jaggery, ghee.

Dosage: 5 – 10 gm, twice daily (as directed by physician.)

Malakudara Mezhu

Indications:- Constipation due to chronic Intestinal disorders

Composition: (Each one part of) Cassia auriculata (surathu Nilavarai Leaf), Guland, Dry Grapes, Almonds, Glycerrhiza glabra, Terminalia chebula(kadukkai Pichu).

Dosage: 5 – 10 gm (as directed by physician)

Mudakkatran Legium

Indications:- Supportive therapy for Rheumatoid arthritis

Composition: (Each one part of) Caesalpinia crista(kazharchi paruppu), Boerhavia diffusa (mookarital), Saranai ver (Trianthema triquetra) Zingiber officinale(dry)(chukku), Piper nigrum (milagu), Piper longum (thippili), terminalia chebula (kadukkai thol), Emblica officinales(nellivatra), Terminalia bellarica (thandrikkai thol) (thiripala), Cardiospermum halicacabum (mudakkaruthan), castor oil (vilakkennai), palm jaggery.

Dosage: 5 – 10 gm, twice daily (as directed by physician)

Pandu Legium

Indications:- All type of Anemia

Composition: (Each one part of) Hemidismus indicus (nannari), Vetiveria zizanioides (vilamicham Ver), Phyllanthus amarus-leaf Juice, Root (keelanelli saru, ver), Zingiber officinale (dry) (chukku), Piper nigrum (milagu), Piper longum (thippili), Terminalia chebula (kadukkai Thol), Emblica officinales (nellivatral), Terminalia bellarica (Thandrikkai thol) (thiripala), Elettaria cardamomum (elam), Cuminum cyminum (jeeragam), Syzygium aromaticum (kirambu), Narukku moolam, Piper cubeba (val Milagu), Embelia ribes (vai Vilangum), Eclipta prostata - juice (karisalai Saru), Thazamvizhuthu saru. Evatcharam, Myristica fragrans (sathikkai), Narukku moolam, Shangu, Thazamvizhuthu saru.

Dosage: 5 – 10 gm, twice daily (as directed by physician)

Perumbatukku Legium

Indications:-

Female hormone imbalance disorders
Uterine tonic
Fibroid uterus
Menorrhagia

Composition: (Each one part of) Varikumatti ver, Terminalia chebula root (kadukkai ver), Embelica officinalis root (nelliver), Terminalia bellirica root (thandrikka root), Andhi malligai root, Coleus vetiveroides (vettiver), Aegle marmelos root (vilva ver), Vetiveria zizanioides (vilamicha ver), Solanum trilobatum root (thuthuvalai ver), Hemidesmus indicus (nannariver), Malaithangi ver, Neithal kilangu, Tragia involucrata root (sirukanjori ver), Senkashu neerkilangu, Nilappanai, vagai, Solanum xanthocarpum ver (kandangathiri ver), Myristica fragrans (sathikkai, sathipathiri-mace), Syzygium aromaticum (kirambu), Elettaria cardamomum (elam), Piper cubeba (val milagu), Rubia cordifolia (manjitti), Sausseria lappa (koshtum), Santalum album (sandhanam), Nigella sativa (karunjeeragam), Anethum sowa (sadhakuppai), Embelia ribes (vai vilangum), sathirabethi, Taxus baccata (thalisapathiri), Cedrus deodora (devadharam), Cuminum cyminum (jeeragam), Piper nigrum (milagu), Glycerrhiza glabra (adhimathuram), Mesua ferrea (sirunagapoo), Curcuma longa (manjal), Celastus paniculata (valuzhuvai), Teak (thekku), Terminalia chebula-gall (Kadukkai Poo Tribulus terrestris (nerunjil), Hyascyamus niger (kurosani Omam), Cyperus rotundus (muthakasu), Embilica officinalis (nellikai), Crocus Sativus (kungumapoo), Pomegranate, Cow Milk, Ghee, Tender Coconut, Lemon Juice, Centella asiatica (vallarai), Sugar, Jaggery.

Dosage: 2 - 4 gm, twice daily (directed by physician)

Shaya Rogathukku Legium

Indications:-

Chronic infectious lung diseases
Respiratory diseases due to smoking

Composition: (Each one part of) Solanum xanthocarpum (kandangathiri), Adathoda vasica (adathodai), Indhuppu, Ginger (dry), Solanum trilobatum (thuthuvalai), Mulmurungai Ilai, Ocimum sanctum (thulasi), Alpinia galanga (arathai), Zingiber officinale (dry) (chukku), Piper nigrum (milagu), Piper longum (thippili), Terminalia chebula (kadukkai Thol), Embilica officinalis (nellivatral), Terminalia bellirica (Thandrikka Thol) (thiripala), Acorus calamus (vasambu), Rice (nel Pori), Saccharum officinarum (kalkandu), Palm Jaggery (karupatti), Cow Milk.

Dosage: 3 - 5 gm, twice daily (as directed by physician)

Thetran Kottai Legium

Indications:-

Tonic for chronic illness,
Venereal diseases
Spermatorea

Composition: (Each one part of) Zingiber officinale (dry) (chukku), Piper nigrum (milagu), Piper longum (thippili), Thetrankottai, Terminalia chebula (kadukkai Thol), Emblica officinales (nellivatal), Terminalia bellirica (Thandrikkai Thol) (thiripala), Alpinia galangal(sitharathai), Cuminum cyminum (Jeeragam), Sugar, Cow Milk, Ghee, Honey.

Dosage: 5 - 10 ml, twice daily (as directed by physician)

Thuthuvalai Legium

Indications:-

Chronic lung diseases
Immune modulator
Sperm motility disorders

Composition: (Each one part of) Solanum trilobatum flower (thuthuvalai Poo), Moringa olifera flower (murungai Poo), Milk, Ghee, Honey, Sugar.

Dosage: 5 - 10 ml, twice daily (as directed by physician)

Thulasi Legium

Indications:-

Allergic skin diseases
Urticaria, Eczema
Pruritus
Dermatitis

Composition: (Each one part of) Ocimum sanctum (thulasi), Zingiber officinale (dry) (chukku), Piper nigrum (milagu), Piper longum (thippili), Glycerrhiza glabra (adhimathuram), Trachyspermum ammi (omam), karunguruvali arisi, purified sulphur (suthitha gandhagam), Smilax chinensis (parangipattai), palm jaggery, Butter, honey.

Dosage: 5 - 10 ml, twice daily (as directed by physician)

Venpooshani Legium

Indications:-

Urinary tract disorders
Leucorrhea
Body excessive heat.

Composition: (Each one part of) Venpoosani Saru, Thazhai Vizhudhu Saru, Thennampoo Saru, Lemon Juice, Cow Milk, Sugar (sarkarai), Cumin Seeds (jeeragam), Coriander Seeds (kothamalli), Saussurea lappa (koshtum), Piper nigrum (milagu), Quercus infectoria (massikkai), Elettaria cardamomum (elam), Myristica fragrans (sathikkai, sathipathiri- Mace), Glycerrhiza glabra (adhimathuram), Taxus baccata (thalisapathiri), Ghee, Honey.

Dosage: 5 – 10 gm, twice daily (as directed by physician)

Vellai Poondur Legium

Indications:-

Corrects blood cholesterol levels
Supports digestive enzyme activity
Relieves gastric flatulence

Composition: (Each one part of) Garlic (vellai poondur), Asafoetida (perungayam), Dry ginger (chukku), Piper cubeba (val milagu), Mustard seed (kaduku), Indhuppu, Trachyspermum ammi (omam), Elettaria cardamomum (elam), Piper longum (thippili), Piper nigrum (milagu), cumin seeds (jeeragam), Terminalia chebula (kadukkai thol), Embilica officinalis (nellikai), Wrightia tinctoria (vetpalai arisi), Aconitum heterophyllum (adhividayam), sugar (sarkarai), Butter (vennai).

Dosage: 3 – 5 gm, twice daily (as directed by physician)

SIVASAKTHI PHARMACEUTICALS

THYLUM

Arugan Ver Thylum (for External use only)

Indications:- Itching of skin
Hyperpigmentation of skin
Dandruff
Skin scars.
