

Electromagnetic Flow Meter

Flow Totalizer

Vortex Meter

Accelerometer Sensor, Digital Flow Batch Totalizer, Dual Channel Bar Graph Indicator, Dual Channel Process Indicator, Electromagnetic Flow Meter, Flow Totalizers, Hydrostatic Level Transmitter, Infrared Temperature Sensor, Magnetic Reed Switch Level Transmitter, Open Channel Canal Flow Meter, PT 100 Temperature sensor, Pressure Transducer, RH Transmitter, RTD Sensor, Rh Temperature LED Display, etc.

OPEN CHANNEL CANAL FLOW METER

ELECTROMAGNETIC FLOW METER

FLOW TOTALIZERS

About Us

We, Ztek Control Systems Private Limited, are a 2011 established business concern, renowned for our exceptional talent & vast knowledge of the business segment. Our company specializes in presenting one of the most reliable, durable, and robust selections of Electromagnetic Flow Meters, Digital Flow Batch Totalizers, Rh Temperature Time Date Displays, Hydrostatic Level Transmitters, etc. This assortment is carefully quality tested before it is dispatched from our facility. Making no errors during the testing process, we ensure the perfect compliance of our range with the set standards of the domains. We import electric component, and finish goods that are qualitative in nature.

As a responsible manufacturer and exporter, we conduct thorough research before initiating the manufacturing process. This helps us in designing and developing perfect products for our globally spread clientele. Keeping the satisfaction of our clients in mind, we also render premium-class installation services. Providing such well-rounded support to clients, we have become the leading choice in Asia & Africa. Under the leadership of Mr. Manish Chauhan & Mr. Mayur, we are hoping to expand our reach further. We plan to become the top name in every corner of the globe.

Key Facts

| | |
|---------------------------------------|---|
| Nature of Business | Manufacturer |
| Primary Competitive Advantages | indicator control transmitter with datalogger,electromagnetic flow meter for cgwa with telemetry, |
| No of Staff | 10 |
| Year of Establishment | 2011 |
| OEM Service Provided | Yes |
| ProductRange | indicator control transmitter with datalogger,electromagnetic flow meter for cgwa with telemetry, |

Our Products

RTD Sensor

Signal Isolator

Dual Channel Process Indicator

Turbine Flow Meters

Rh Temperature LED Display

Pressure Transducer

Single Channel Indicator

Accelerometer Sensor

Magnetic Reed Switch Level Transmitter

Ultrasonic Liquid Level Sensor

Infrared Temperature Sensor

Vortex Meter

RH Transmitter

Hydrostatic Level Transmitter

PT 100 Temperature Sensor

Digital Flow Batch Totalizer

ADDRESS

Plot No. 4/19, Near Gorwa Water Tank, Gorwa, Vadodara, Gujarat, India (390016).
