

Brick Making Machine

Customer faith well-kept for lifetime.

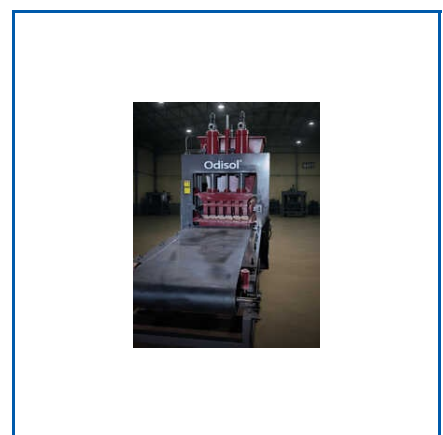

50 Ton Hydraulic Baling Press Machine, Automatic Cement Brick Making Machine, Automatic Fly Ash Brick Making Machine, Automatic Fly Ash Bricks Making Machine, Block Making Machine, Bottom Baling Press Machine, Bottom Vibration Fly Ash Bricks Making Machine, Brick Crushers Machine, Brick Making Machine, CLC Brick Making Machine, CLC Light Weight Brick Making Machines, Cement Block Making Machine, Cement Bricks Making Machine, Cement Storage Silo, Cement Tile Making Machines, etc.

MOLD VIBRATION CEMENT BRICKS MAKING MACHINE

HOLLOW BRICK MACHINE

HYDRAULIC DOUBLE COMPACTION BRICK MAKING MACHINE

About Us

Based in the industrial heart of Delhi, India, Odisol stands as a beacon of engineering excellence, specializing in the design and manufacture of high-performance Special-Purpose Machines (SPMs). Our product portfolio includes Hydraulic Power Pack, Twin Shaft Mixer Machine, MCC Panels, Cement Silo, etc. We understand that in today's rapidly evolving industrial landscape, off-the-shelf equipment often falls short of meeting unique operational challenges. That is why our mission is centered on delivering bespoke, automated solutions tailored to the precise technical requirements of diverse sectors across India and the global market.

Our strength lies in our multidisciplinary team of expert engineers who combine decades of technical knowledge with a relentless passion for innovation. From conceptualizing complex mechanical frameworks to integrating cutting-edge control systems, we handle the entire lifecycle of machinery production. Our portfolio focuses on optimizing production lines, reducing manual intervention, and significantly boosting overall equipment effectiveness (OEE). At Odisol, quality is not just a metric but a core philosophy; every custom-built machine undergoes rigorous testing to ensure it provides the reliability and durability required for 24/7 industrial operations. By choosing Odisol, businesses gain a strategic partner committed to transforming their manufacturing bottlenecks into competitive advantages through precision-engineered technology and dedicated after-sales support.

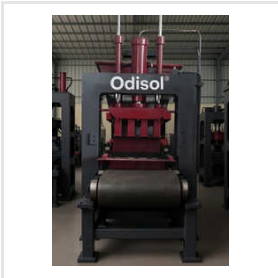

Key Facts

No of Staff	80
Year of Establishment	2012
No of Production Lines	1
OEM Service Provided	No

Our Products

Concrete Brick Making Machine

Hydraulic Single Compaction Brick And

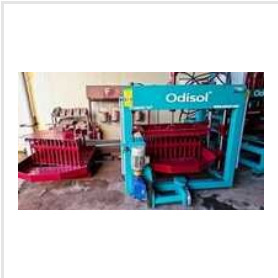

Hydraulic Scrap Baling Press Machine

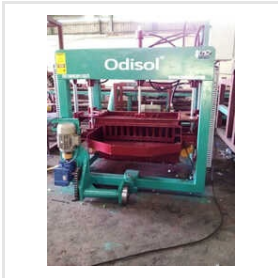

Cotton Baling Press

Hydraulic Baling Press Machine

Hollow Block Making Machine

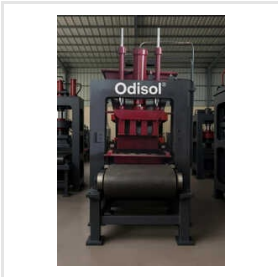

Block Making Machine

Paver Block Making Machine

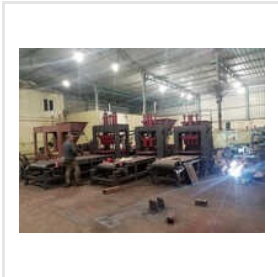

Cement Block Making Machine

Brick Making Machine

Hydraulic Paver Block Making Machine

Automatic Cement Brick Making Machine

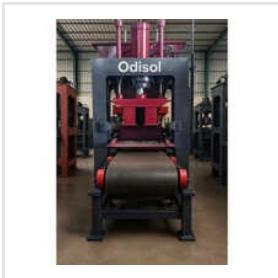

Cement Bricks Making Machine

Concrete Hollow Block Making Machine

CLC Brick Making Machine

Hydraulic Brick Making Machine
