About Us

Established in 2011, Focus Mariine Agencies has rapidly grown into a prominent player in the storage and modified container industry. Offering a diverse range of services, the company is involved in the service provision, manufacturing, and wholesale of various types of containers. Our offerings include container stock, open shipping containers, and storage shipping containers.

Focus Mariine Agencies provides comprehensive solutions, including container trading, leasing, fabrication, transportation, and container repair services. Additionally, we offer marine services such as one-way container use, liner agency services, freight forwarding, and customs clearance. With its headquarters in Chennai, and operational facilities in Tuticorin (India) and Colombo (Sri Lanka), Focus Mariine Agencies is well-positioned to serve both domestic and international clients.
