About Us

Lesser to 10 milliseconds weld time, current around to 200,000 A, power usage minimized to 70%, are multifarious benefits inclining us for capacitor discharge welding. We at our company, have been utilizing defined technology to aid industries. We shout aloud to be a marvelous preference for miscellaneous industries for providing products of high excellence using capacitor discharge welding technology. We were erected back in 1994 for meeting users needs for specialist technology dependent products. Our company meets each single asked requirement for products in the most superior manner as a manufacturer. We concentrate on serving indigenous products to our customers for ensuring inestimable satisfaction.

Our establishment carries on serving artech machines that match users requirements and thereby aid industries with incredible welding technology. Here in at our firm, we deal in Shear Connector Stud, Stud Welding Gun, Welding Machine, etc., in several capacities so as to meet requisite needs of respective clients. Our establishment can aid emerging industries by providing made-to-order welding solutions.

Key Facts

No of Staff	35
Year of Establishment	1994
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	25 machine
Memberships	MAHARASTRA CHAMBER OF COMMERCE

Our Products

High Quality Connector Stud

Stud Welding Gun

Stud Welding Machine

Shear Connector Stud

Shear Connector

Anchor Plates Shear Connector Stud

Rail Over Bridges And Girders Welding Stud
