COMPANY PROFILE

About Us...

SHIVOM POLYPLAST INDIA PVT. LTD. is a leading manufacturer and supplier of high-quality UPVC, CPVC & SWR pipe fittings. With a commitment to excellence and innovation, we have established ourselves as a trusted name in the industry. Our extensive range of products caters to various applications in plumbing, irrigation, water supply.

Mission

our mission is to deliver superior quality UPVC, CPVC and SWR pipe fittings that exceed customer expectations. We are dedicated to providing innovative solutions, exceptional service, and sustainable products to support the needs of our clients and contribute to the development of our communities.

Pipe Fittings

We offer a comprehensive range of UPVC, CPVC and SWR pipe fittings, including couplings, elbows, tees, reducers, adapters, and valves, available in various sizes and configurations to meet specific project requirements.

Plumbing System

uPVC Plumbing System

Introducing SPIDER uPVC Plumbing Systems, meticulously engineered to meet the stringent standards of ASTM D-1785 and ASTM D-2467, ensuring a lead-free and non-toxic solution for potable drinking water transportation.

Experience swift and cost-effective installation with pipes and fittings that seamlessly join together using simple, affordable tools, significantly reducing both labor and installation expenses. With outstanding tensile and impact strength, SPIDER uPVC Plumbing Systems offer durability and reliability, promising extended service life while outperforming traditional Gi Pipe systems. Say goodbye to corrosion worries and hello to long-term economy as our system boasts non-corrosive properties and resistance to scaling or deposition, thanks to its smooth surface and UV stabilization, making it an ideal choice for outdoor applications. From residential to commercial and industrial settings, trust SPIDER uPVC Plumbing Systems for high-pressure water distribution needs.

Seal the deal confidently with SPIDER (uPVC Solvent Cement), ensuring leak-proof joints for the long haul. Available in various sizes ranging from 10ML to 237ML, it's the final touch to your plumbing project, assuring peace of mind and a seamless installation experience.

Sizes Available - Pipes: 1/2" to 3" (15MM to 80MM)
Fittings: 1/2" to 3" (15MM to 80MM)

CPVC Plumbing System

Discover the reliable, enduring, and cost-efficient SPIDER CPVC Plumbing Systems, crafted to meet the standards of ASTM D-1746 & ASTM D-2846.

Engineered for both hot and cold water applications, this solution ensures safety and longevity in plumbing projects. Whether it's residential, commercial, or industrial, SPIDER CPVC Plumbing Systems deliver unparalleled performance, promising maintenance-free, corrosion-resistant service. Ideal for potable drinking water and various fluid transportation needs, including hot liquids, corrosive fluids, and even solar heating and radiant floor heating applications.

Seal the deal with confidence using SPIDER (CPVC Solvent Cement) offering leak-proof joints for the long haul. Available in a range of sizes from 10ML to 237ML, it's the assurance you need for a seamless plumbing experience.

Sizes Available - Pipes: 3/4" to 2" (20MM to 50MM)
Fittings: 3/4" to 2" (20MM to 50MM)

SWR Drainage System

Introducing SPIDER SWR Piping Systems, meticulously engineered to adhere to the standards of IS:13592 and IS:14735, providing an effortless and cost-effective solution for drainage, soil waste, and rainwater applications in residential, commercial, and industrial buildings.

With numerous advantages over conventional piping systems, SPIDER SWR Piping Systems feature a Yellow Seal design, ensuring leak-proof joints capable of withstanding high pressures and preventing blockages.

Manufactured using state-of-the-art, next-generation machinery, this system guarantees precise thickness and dimensional stability, part after part. Available in both Ring Fit (Fix 'O' Ring Seal Design) and Self Fit variants, SPIDER uPVC SWR Drainage Systems offer versatility to suit various installation needs.

Sizes Available - Pipes: (75MM & 110MM)
Fittings: (75MM & 110MM)
