## About Us

We at Octagon Solutions have created a legacy in the Indian industry through our work of absolute authenticity, superior quality and progression. In the business since 1998, we have been working fluently as a manufacturer and exporter of an extensive line of industrial equipment, machines and tools. This line encompasses Spiral Bar Coater, Cork Tape, Drawdown Pad, GSM Plate, GSM Round Cutter, Heat Sealing Machine, Paper Realising Tape, Hot Air Oven and many more items. For their superior built quality, fine performance, durability and cost-effective prices, these items remain in heavy demand in the market that we keep fulfilling with utmost responsibility, perfection and professionalism.

Under the visionary leadership of Mr. Rajesh, we are continuing our decades long legacy of catering the demands of industries in diversified sectors and being a reliable & promising partner to them through our flawless, customer-driven and progressive work. Our mission always remains to provide such quality of deals, products and servicing to the customers that they keep availing again & again.
