## About Us

We Rakshan Cooling Towers have been a renowned Manufacturer and Supplier of Cooling Towers that make the cooling process energy-efficient as well as cost-effective. As an ISO 9001:2008 certified firm, we incorporate the best manufacturing practices along with latest technologies. Our range comprises Industrial Cooling Tower, FRP Cooling Tower, Counter Flow Cooling Tower, Dry Cooling Tower, and Cooling Tower Spares etc.

We are a dependable manufacturer and supplier of varied Cooling Towers & Cooling Tower Spares. Our offered products, such as HVAC Cooling Tower, Natural Draft Cooling Tower, and more find wide application in various Steel & Alloys factories, Leather industries, Power Plants, etc. These are fabricated from superior quality inputs to make sure that they have long service life and high level of performance. Further, the finished output is stringently inspected by our quality testers to ensure that the products delivered to our highly valued client are flawless.
