About Us

With the advent of globalization, competition has been increasing across major industrial sectors. This has also increased the risk of business survival, which is why, businesses need to enhance customer satisfaction and achieve their loyalty. Taking this aspect into consideration, we, Monica International, work hard to maintain an edge in the food industry and offer finger licking assortment of Matta Rice, Mix Pickle, Roasted Poha Chivda Namkeen, Moong Dal Namkeen, Ragi Flour Powder and many more, at highly pocket-friendly prices. Enriched with quality assured ingredients, our assortment is highly demanded in the market. We never compromise with the quality of our food products because we believe in the fact that poor quality always has harmful side effects. For this reason, we are associated with only reputed food manufacturing companies and farmers who help us source a qualitative assortment of aforesaid and more products as a reliable trader and supplier. Moreover, with our half a decade of experience, we are winning our customers hearts and ensuring they have the best shopping experience with us. We Mainly Deal with Asia, Europe and Gulf Countries.

Although Monica International is known to offer quality assured products, yet we never disappoint our customers in terms of quantity as well. We carefully maintain a balance among quality, quantity and price to ensure we never give a single chance of complaint to our customers. Based in Mumbai, Maharashtra, India, is our infrastructural base that sprawls over a large piece of land and is divided into different units for effective carrying out of our business operations. We trade our Dosa Podi Masala Powder, Besan Flour, Jaggery Cubes, etc., of impeccable quality at fair prices so that everyone can easily buy these without giving a second thought. We Mainly Deal in Asia, Europe and Gulf Countries.
