

DOT PIN MARKING MACHINE

Together We Work to Full-Fill Your Needs.

Air Gauge, Brinell Hardness Tester, Dot Peen Marking Machine, Hot Air Oven, Laser Engraving Machine, Measuring Pins Set, Metallurgical Microscope, Micro Vickers Hardness Tester, Muffle Furnace, Multi Gauging System, Optical Emission Spectrometer, Portable Hardness Tester, Rockwell Hardness Tester, Slip Gauge, Tensile Testing Machine, etc.

AUTOMATIC PORTABLE DOT PIN MARKING MACHINE

240V DOT PIN MARKING MACHINE

ELECTROMAGNETIC DOT PIN MARKING MACHINE

About Us

Micro Industrial Solutions is reputed in the global market for manufacturing and exporting a wide range of marking machines, laser cutting machines, laser engraving machines, testing machines, laser cleaning machines, and many other industrial machines and equipment. Our showroom includes Portable Dot Pin Chassis Marking Machine, Handheld Dot Pin Marking Machine, Laser Marking Machine, CO2 Laser Cutting Machine, Brinell Hardness Testing Machine, Industrial Laser Engraving Machine, and more. These are developed by assembling various components, spares, motors, and many other parts as per international quality standards. Our machines are trusted by customers for their minimal maintenance requirements, fluent performance, excellent working speed, clear marking abilities, and simple operations.

Since our inception in 2014, we have been delivering remarkable machines that become valuable asset to customers. The machines are engineered by sharp professionals, who are well-guided by mentor, Mr. Rahul Tanwar. His determination, engineering skills, quality control approaches, and guidance make us attain constant growth and success.

Key Facts

Nature of Business	Trader
Primary Competitive Advantages	digital tensile testing machine,computerized tensile testing machine,tensile testing machine,electronic universal testing machine,computerized universal testing machine,digital universal testing machine,precision profile projector,rockwell hardness testing machine,portable rockwell hardness tester,rockwell hardness tester
No of Staff	10
Year of Establishment	2014
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	as per order based
ProductRange	digital tensile testing machine,computerized tensile testing machine,tensile testing machine,electronic universal testing machine,computerized universal testing machine,digital universal testing machine,precision profile projector,rockwell hardness testing machine,portable rockwell hardness tester,rockwell hardness tester

Our Products

Serial Number Marking Machine

Battery Serial Number Dot Pin Marking

CNC Pin Marking Machine

Handheld Dot Pin Marking Machine

Chassis Number Dot Pin Marking Machine

Integrated Dot Pin Marking Machine

Mild Steel Dot Pin Marking Machine

Industrial Dot Pin Marking Machine

E Rickshaw Chassis Dot Pin Marking Machine

PC Based Dot Pin Marking Machine

Rotary Dot Pin Marking Machine

Mild Steel Column Mounted Dot Pin

200W Dot Pin Marking Machine

Handheld Dot Pin Marking Machine

Benchtop Dot Pin Marking Machine

Portable Dot Pin Chassis Marking
