About Us

Universal Enterprises, established in 2001 and based in Kalyan, Maharashtra, stands as a trusted manufacturer, supplier, trader, exporter, and importer specializing in superior plumbing solutions. With over two decades of industry experience, we have earned a strong reputation for delivering high quality PTFE Tape, Plastic Cock and Sink Coupling that meet diverse customer requirements across India and international markets. Our commitment to quality begins with sourcing premium raw materials and combining them with advanced manufacturing techniques. This ensures that every product leaving our facility is durable, reliable, and performs exceptionally under various conditions. We strictly adhere to industry standards and conduct rigorous quality checks at every stage of production, underscoring our dedication to excellence.

Customer satisfaction drives everything we do. We pride ourselves on timely delivery, competitive pricing, and customized solutions to fit specific project needs. Our efficient supply chain and strategic partnerships enable us to serve both small scale retailers and large industrial clients effectively. With a growing export footprint, we have successfully expanded our global reach, catering to clients who trust us for consistent product quality and professionalism. Our experienced team continuously innovates and upgrades our product range to meet evolving market demands. We are committed to building long term relationships based on trust, integrity, and value. We proudly stand as a dependable partner in the plumbing industry, dedicated to powering your projects with outstanding products and unmatched service excellence.
