About Us

We at NR Life Care are the top trader, manufacturer, exporter, and wholesaler of a variety of active pharmaceutical chemicals, active pharmaceutical ingredients, pharmaceutical bulk drugs, pharmaceutical raw materials, pharmaceutical tablets, syrups, capsules, oral suspension, and nutraceutical products. We provide these products for feed, food, nutraceutical, pharma, and other applications. The precise formulation, lengthy shelf life, high effectiveness, and absence of side effects of these products are well known. With the support of Mr. Jitendra Nakum (Director), we have been able to give our customers the highest level of satisfaction. Quality is what we value most.

We maintain high level of quality in our products to serve the perfect Pharmaceutical Medicine, Pharmaceutical Products to our clients. With our quality products we get attention of existing as well as new demands and increase our goodwill. For this, our quality controllers pay special attention to every stage of the process of procurement and deliveries. Our experts examine each product deeply before the procurement to ensure its grade before supplying it in the market. We maintain quality standards in our offerings with proper medicine safety standardization norms.
