About Us

The word Sarvam means everything or complete and the people of our company always strive to attain complete customer satisfaction. Therefore, there's no denying to fact that the name of our company Sarvam Safety Equipment (P) Ltd. is apt. Also, this sarvam depicts the totality of our strength as a business. Our rapid growth as an importer and wholesaler/distributor is entirely based upon our unwavering focus to the quality factor. In order to the maintain high quality standards of our products like Spill Control Pallets, Engineering Tools, Fire Escape Respirator, Hospital Stretchers, Spine Board, Puncture Resistant Gloves, etc. The driving force behind the success of our company is our strict adherence to our ethical business practices. Apart from the aforesaid products, we also import a qualitative range of Automatic Defibrillator, D-LED Body Wash and more from different parts of the world. Quality of our products has elevated our sales and made us earn an annual turnover of INR ninety crores in the last financial year.

As we know that for having the sweetest fruit one must water the tree daily. Similar is the case with people and business. Since both are dependent on each other; therefore, the growth of employees becomes the growth of business because great things begin with great people. Taking this aspect into consideration, we conduct training sessions for our employees so that they can be updated with the prevailing technologies and market trends to give their best while conducting their tasks. In our team of five hundred people, we pay attention to the growth of each and every employee so that they can be better at both personal and professional level.
