

Online Continuous Emission Monitoring Systems (OCEMS)

Dew Point Meter

24V DC or 230vac 50 Hz Gas Sensor Transmitter, Air Quality Meter, Air Quality Monitor, Ambient Monitoring Systems, Ammonia Gas Analyser, Ammonia Gas Leak Detector, Ammonia Gas Transmitter, Battery Operated Dew Point Meter, Biogas Analyzer, Broken Bag Detector, CO Gas Detector, CO Gas leak Monitor, CO2 Gas Analyzer, Chlorine Gas Analyser, Chlorine Gas Detector, etc.

FIXED LPG GAS LEAK DETECTOR

AMMONIA GAS LEAK DETECTOR

PORTABLE GAS DETECTORS

About Us

Creating a dominant position in the national and international market, we, APPLIED TECHNO ENGINEERS PRIVATE LIMITED have come up with a wide range of products. We are renowned as one of the leading Manufacturers, Suppliers, Traders and Exporters of Environmental, Analytical, and Process Instruments which are required for different application in various industry sectors. The products we deal in include Gas Detector, Portable Gas Detector, Ultrasonic Leak Detector, Fixed Gas Detector, Gas Transmitter, Gas Analyzer, Flue Gas Analyzer, stack Gas Analyzer, Moisture Analyzer, Dew Point Analyzer, Dew Point Transmitter, Dust Monitor, Hand Held Dust Monitor, Continuous Emissions Monitor.

Based in Navi Mumbai, Maharashtra, India, APPLIED TECHNO ENGINEERS PRIVATE LIMITED is a reputed Manufacturer, Supplier, Trader and Exporter dealing in Gas Detector, Indoor Air Quality Monitor, Portable Gas Detector, Ultrasonic Leak Detector, Fixed Gas Detector, Gas Transmitter and other such instruments. The team of profound engineers and technicians who have expertise in this field have manufactured the range as per the latest technology by implementing the use of quality materials and robust technology. After its final production they are passed through a rigorous quality testing process after which we sell them in the market.

Key Facts

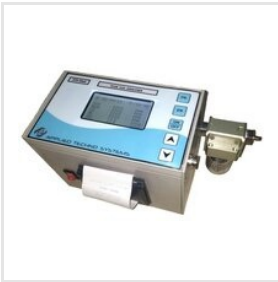

Nature of Business	Manufacturer
Primary Competitive Advantages	dust monitoring system,process gas analyzer,exhaust gas analyzer,online gas analyzer,portable gas analyzer,flue gas analyzer,gas monitoring system,dew point meter
No of Staff	10
Year of Establishment	2006
No of Production Lines	1
OEM Service Provided	Yes
Memberships	MSME
ProductRange	dust monitoring system,process gas analyzer,exhaust gas analyzer,online gas analyzer,portable gas analyzer,flue gas analyzer,gas monitoring system,dew point meter

Our Products

Portable Fuel Efficiency Analyser

Microprocessor Portable Multigas

Fixed Gas Detector

Portable Formaldehyde Gas

MODEL ATS -103M

Multi Gas Detector

Hydrogen Sensor Transmitter

Hydrogen Leak Detector

Portable Hydrogen Gas Leak Monitor

Portable Formaldehyde Gas

Extech LPG Gas Monitor

CO Gas Detector

Dissolved Oxygen Meter

Chlorine Gas Leak Detector

LPG Gas Leak Detector

Gas Purification Panel

Portable Gas Analyzer
