About Us

Singhal Brothers is reckoned among the leading traders, suppliers, and distributors of Industrial Conveyor Belt Fasteners, Flexo Brand J Type TL Belt Fasteners, FBC Coupling, Fenner Coupling Tyres, Hydraulic Hose Pipes, and various other products. We have been based in Kolkata for more than two and a half decades. We trade products from various renowned brands, such as Swifttime, Flexo, etc. We are also a distributor of products of Ecodrive Plus and JK Fenner. During more than two decades of our stay, we have carved a special niche in the market.

We have our business operations in different parts of Eastern India. Our products are used in the production of conveyors, belts used in industries or as part of a machine, and other purposes. We have business associations with reputed companies who ensure us a continuous supply of the products we offer. We have gained a good market foothold owing to our hard work, honesty, customer-friendly approach, and transparency. We are driven by the passion to serve our customers in the best way and ensure total customer satisfaction.
