About Us

Anush Filters & Fabrics is a reliable manufacturer and supplier of Cotton Non-Woven Micron Felt Filter Bag, White Nylon Filter Bag, Boiler Filter Bag, Belt Filter Cloth, Ryton Filter Bag, and more. We design our products with best quality raw material, which we procure from the most reliable, reputed and authorized suppliers of the industry. Whole range of quality is strictly tested on clearly defined parameters, so as to provide error-free goods in the market. New techniques of production are used by us, which have made us keep pace with the future challenges of industry. It is our moral business practices, clean and transparent transactions, economical solutions and commitment to provide products on time that we have created a unique niche in industry.

Total customer satisfaction and quality approved range are two essential elements, which have turned us into the most sought-after option of large clients. We have gained the highest support of clients by meeting their requirements effectively. Moreover, we never compromise on the quality of products; hence, we have implemented stringent quality parameters, which are industry-recommended.
