About Us

Neel Nayan Pharma Pvt. Ltd., is one of the leading manufacturers and suppliers of pharmaceutical products in the country. We are experts in research and development and have a zeal for innovation, which helps us curate a range of quality assured products. Our cost effective range of products includes Pharmaceutical Capsules, Perindopril Arginine and Amlodipine Tablets, Valsartan Tablets, Perindopril Arginine Tablets, Perindopril Arginine Tablets, Perindopril Arginine Tablets, and more. This way, we are able to cater to the needs of a large audience. We realize the power that a company like ours has, and are thus committed to catering to the needs of the common people. Made using the best technology, our products are highly reliable, affordable, and quality assured. Our hard work and dedication have made us a globally recognized company, and earned us the WHO-GMP certificate. Our products are quality assured and made following the set standards of international quality. We make sure to work with the same zeal and ensure that there is no dip in the quality of products produced. Owing to our quality, we have been able to maintain a strong foothold in the pharma business.

Our main priority has always been ensuring that all our customers are happy and satisfied, and we leave no stone unturned to ensure the same. Over the years, we have been delivering quality products to our clients, and going forward, we aim to do the same.
