About Us

Welcome to our company- Conmech Auto Consultant India P Ltd, a leading manufacturer and supplier of a wide range of high-quality Passenger Cum Material Hoist Lifts, Inclined Hoist Lifts, Curved Hoist Lifts, etc. With our extensive expertise and commitment to excellence, we provide reliable and efficient solutions to meet the needs of our clients. We were founded in Hyderabad, Telangana, India, in 2006. We design and manufacture a wide variety of hoist lifts at our cutting-edge manufacturing facilities, including double cage passenger hoist lifts, single cage hoist lifts, curved hoist lifts, incline hoist lifts, and double cage material hoist lifts. To guarantee the best performance, safety, and longevity, each product is meticulously made and complies with strict quality standards.

We prioritise customer pleasure as a customer-centric business by providing unique solutions and top-notch customer service. In order to fully meet each client's specific objectives, our devoted team of engineers and technicians consult with them frequently. The result is custom-made hoist lift solutions. With a strong focus on continuous improvement and innovation, we strive to stay at the forefront of the industry. We invest in research and development to incorporate the latest technological advancements into our products, ensuring our customers have access to the most advanced and reliable hoist lift solutions available.
