INTRODUCTION

Respected Sir,

Established since last 33 years, Gayatri Sales is the leading supplier of Industrial Gases which has the highest client base in Industrial regions surrounding Bharuch/Dahej/Saykha/Jambusar/Jhagadia. Founded by Mr.Kaushik Patel and Lead by Kanthil Patel, Gayatri Sales leaves no stone unturned in meeting commitments and maintaining quality standards. All industrial gases including Oxygen,Nitrogen,Argon,Hydrogen,Helium,Ammonia,Lpg,Chlorine,Refrigerant,Dis holoved Acetelene, Flamoxy, gas and other speciality gases also are widely supplied in various companies by us. We strive for meeting customer needs and we emphasize on timely delivery of orders which has made possible for us to work with nearly all companies of this region. Every client is important to us and irrespective of the scale we tend to offer best service possible in this aspect.

OUR VISION

We in India have tied up with Multi National Companies for the supply of our parent product with the best purity of gases. We have our expansion projects to built up our Laboratory for testing facility of high purity gases and cylinders, and market specialty gases in the state of Gujarat.

Management is planning to start up the facility for the manufacturing of specialty Gases / Mixtures / Chemical Mixtures, Through fully automatic t in India.

In the future, the company proposes to set up a tonnage plant, for the manufacture of Liquid O₂ / Ar / N₂ to cater to the future requirement of the market. Also, the company is planning to bring & sell medical equipment, tools & accessories.

We are providing technical consultation for setting up all types of plants for industrial gases on a professionals basis.
