About Us

Established in 1991, **Lancer Health** Care is one of the most respected pharmaceutical companies in the global marketplace. In three decades of our existence in the pharmaceuticals industry, we have grown professionally as a trader and exporter and improved our portfolio by adding new and better formulations.

Our **Delhi (India)** based business establishment deals in a wide range of medicines containing **Supracal Tablets, Dalteparin Sodium Injection, Fat Burner Tablets, Hydroxychloroquine Sulphate Tablets, Veldrop Eyes Drop**, to mention some, that cures numerous minor and major ailments. We have Cipla, Micro, GSK, Sunrise, Sanofi, Knoll, and numerous other top brands of medicines available. Our collection is demanded across Indian markets that too in bulk quantity.

Diverse Line of Medicines

Our product line combines Anti Alcohol, Blood Pressure Diuretic Medicine, Anti Asthmatic, Anti Cancer Medicines, Anti Asthmatic Inhalers, HIV Aids Medicines, Hair Loss Medicines, Kidney Medicines and numerous others. Our entire collection of medicines is in compliance with the latest FDA norms as our vendor base maintains supreme quality during production. Our diverse array of medicines comes packed in standardized packaging materials, which promotes their safe shipment.

Why Choose Our Collection?

We are globally known for offering premium quality medicines for treating mild and chronic diseases in an effective manner. Our entire lot of sourced medicines is admired for quick results, non pungent odor, zero side effects, accurate preparation and long shelf life. We have injections, tablets and other medicines available under one roof.
