**30KG DOUGH KNEADER**

**50KG DOUGH KNEADER**

**2 KG DOUGH KNEADER**

## About Us

By using latest technology, we at Shree Chamunda Agro Engineering Works are designing and developing high-tech Peanut Decor Machine, Potato Chips Cutting Machine, Dough Ball Compressor Cutting Machine, Electric Dough Ball Cutting Machine, etc. These machines are popular among customers because of the features like user-friendliness, low power consumption, easy installation, minimal maintenance, etc. Since 2009, we have been offering the mentioned products to buyers and have successfully attained optional client satisfaction. Our track record is impressive, because of which we are able to develop trust among new clients.

We stay technically updated and modify our machines accordingly. Further, we do not compromise on our moral values and do our best for our customers. In addition, we do not give a cold shoulder to the norms set for our domain, which has enabled us to strengthen our market image. Choosing us has always proven to be the right decision for customers, as we have always exceeded their expectations.
