## About Us

Ever since 2003, the day of our inception, we, NEEDS INTERNATIONAL have aimed to be the top-notch Importer, Supplier, Trader and Wholesaler/Distributor of Hand Tools, Safety Devices, Clutch Brakes, Radial Ball Bearings, Welding Electrodes and other products. These are procured from reliable and authentic sources of the industry, where usual production trends as well as technicalities are stringently followed to meet the exact quality expectation of clients spread across Karnataka, Delhi, Maharashtra, and Gujarat.

Premium quality raw components are used by their technocrats to fabricate every single bearing as per national and international standards. Our wide range is availed by many reputed brands like Hero, CARX, JBM, Honda, Maruti Suzuki, etc. and they appreciate it for unmatched striking features like corrosion resistance, flawless functioning, robust construction, perfect finish and extended life.
