

# Screw Air Compressor

Customer faith well-kept for lifetime.

Activated Carbon Filter, Air End, Main Motor Repair, All Types Filters, Aluminium Piping, Chain Hoists, Desiccant Air Dryer, Double Stage Fixed Speed Rotary Screw Compressor, Fabrication Assembling Works, Fabrication Bending Works, High Pressure Screw Air Compressors Special For Laser Purpose, Industrial Air Receiver Tank, Light Crane System, Metal Cutting, PPR - Polypropylene Random Copolymer Piping, etc.

PRE FILTER

ACTIVATED CARBON FILTER

PPR - POLYPROPYLENE RANDOM COPOLYMER PIPING

## About Us

MSG Airtech Equipment is a trusted and authorized distributor of Sun Stellar Air Compressors and Carlstahl Craftsman EOT Crane Hoists, delivering high-quality industrial solutions across diverse sectors and manufacture of sheet metal fabrication work. We specialize in high-quality Refrigerated Air Dryers, Desiccant Air Dryers, Air Receiver Tanks, and VFD Plus Screw Air Compressors, all designed to ensure efficiency, reliability, and long service life. Our solutions are engineered to meet the critical demands of modern industrial applications, helping businesses maintain clean, dry, and consistent air supply for optimal operations. At MSG Air Tech Equipment, we focus on innovation and precision, utilizing quality-tested materials and modern manufacturing practices to produce equipment that meets industry standards.

Our commitment to excellence is reflected in every product we deliver, ensuring superior functionality and minimal maintenance. We understand the importance of uninterrupted operations, which is why our systems are built for durability and energy efficiency. Driven by a customer-centric approach, we aim to provide tailored solutions, timely delivery, and dependable after-sales support. Backed by a skilled team and a dedication to continuous improvement, MSG Air Tech Equipment strives to be a reliable partner for industries seeking efficient and cost-effective air technology solutions.

## Key Facts

<b>No of Staff</b>	200
<b>Year of Establishment</b>	2010
<b>No of Production Lines</b>	1
<b>OEM Service Provided</b>	No

## Our Products

**All Types Filters**

**Single Stage Screw Compressor**

**Double Stage Fixed Speed Rotary Screw**

**Variable Frequency Drive - VFD Rotary**

**Upto 30HP Tank Mounted Screw Air**

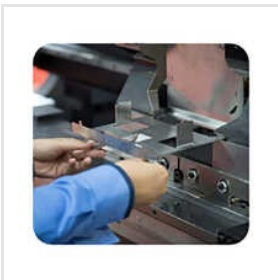

**High Pressure Screw Air Compressors**

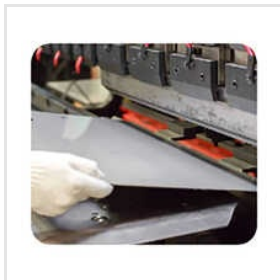

**Portable Wire Rope Hoists**

**Light Crane System**

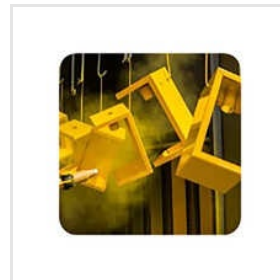

**Metal Cutting**

**Fabrication Bending Works**

**Fabrication Assembling Works**

**Powder Coating**
